According to the calendar, fall has arrived which hopefully will bring cooler temperatures. I know, not anytime soon with our current temperatures. With fall it's time to get in those Z's and drive up to Julian for some apple pie and fun with the family.

At the September meeting, Steve Phar spoke about his latest project the Scarab Z. I hear since I was not in attendance, that it was an intimate meeting with Steve giving out lots of information.

The run to JCCS had two cars make the early morning run up to Long Beach on the 5/405 that moved faster than a snail's pace. Several other members made the run individually. ZCSD members Bill Bennett, Bryon Kibildis, Michael Grassi and Rich Scharf had cars in the show. Johnny Gable, her son Kenny, with a just-completed Datsun truck, and Peter Brock were the celebrities of the show.

This month's event will be the Dyno Day and BBQ at the Dyno Shop in Santee on Saturday, October 12th. Come and enjoy a free lunch while your cars get dyno'd.

Now, let's drive those Z's.

Michael
