I hope everyone is safe and sound as we enter the third month of the year.

While the club did not have an official run this month, February's Coffee and Datsun's sure looked like one. There were five club members in attendance with their Z's. There were about a dozen Z's and three or four 510's and a roadster. Great meetup to mingle with fellow Z enthusiasts in a safe manner.

There will be another run this month so look for details in this newsletter.

It appears the county is beginning to slowly open back up and return to "normal." As soon as it is safe, we will start having our meetings again. Until that time, monthly meetings are canceled.

Be healthy, be safe!

Z you on the road.

Michael

FRIENDS OF JOHNNIE & MR. K FUN RUN

FEBRUARY 12–15. 2021

A beautiful weekend for another great drive. The format was 'Caravan Style' with all the cars staying together to enjoy the sights and to have plenty of rest stops and picture opportunities. Three cars from ZCSD made the drive: Michael & Marcy Montag, Michael Lemonadi (driving in from AZ) and Wally and Patty Cook

Day 1 Meet at Randsburg General Store, Randsburg, CA. Continue to Stovepipe Gas Wells Gas Station, Death Valley. Then on to Artists Palette and Bad Water Bason, Death Valley before heading out to Ashford Junction and on to Pahrump, NV for dinner at Ohjah Japanese Steakhouse and the night at the Pahrump Nugget, Casino and Hotel.

FRIENDS OF JOHNNIE & MR. K FUN RUN CONT.

There were drivers that had 'escaped' from the snow and ice of the East Coast and Texas, as well as Arizona and Southern California.

Day 2 The drive continued with planned stops at the Hoover Dam and the Powerhouse Visitor Center, the Route 66 Museum, the town of Oatman and Mr. D's Route 66 Diner in Kingman AZ. Finally arriving in Laughlin, NV for dinner at the Claimjumper in the Golden Nugget Casino and staying two nights at the Tropicana Casino & Hotel, Laughlin.

Day 3 After breakfast and a kite flight in honor of Mr. K, we hit the road for another 'Dam' day of discovery and sightseeing. First it was; Vidal Junction with plenty of desert wind, then on to Parker Dam and the Parker Dam Launch where there was a 'push' to shove Michael's car into the lake. From there it was on to the London Bridge and lunch at the Javalina Cantina, Lake Havasu City, AZ.

After lunch, the plan was to drive back through Oatman, Crazy Fred's Truck Stop and the Locomotive Park. However, the earlier photo shoots and lunch took longer than planned so it was a race against the

sunset to make dinner at Out-back Steakhouse at the Aquarius, in Laughlin.

Day 4 We gathered for breakfast at the Big Horn Café, before heading our separate ways homeward bound.

Always a great event thanks to the efforts of Kenny, Celeste, Mike and all the rest.

HELP WANTED!

Our webmaster, Rich Scharf is retiring... at least from being our webmaster, and moving out of state in October and we are in dire need of someone to step up and volunteer to take over his position.

The duties would include:

- Post the monthly Newsletters to the website in a timely manner
- Update and keep the Club Contacts Officers listing current
- Update and keep the Events Calendar current
- Post members pictures in the Members Gallery
- Maintain the Sponsors Listing page

Rich uses a site designer program, for people who code and **those who don't**. He says it uses WYSIWYG software (pronounced "wyzywig") which stands for "what you see is what you get". It's kind of like using PowerPoint only everything is set up on a grid. Since the site is set-up already, it doesn't take much to maintain.

There is plenty of time for Rich to teach you how to use it.

Questions? Contact Rich at rich.scharf@att.net
