SEZ THE PREZ

Spring is here, which means new flowers, new leaves on the trees, and new, well-returning club meetings. YES, starting April 6, 2021, ZCSD will restart the monthly meetings. Meeting details are in this newsletter.

The Rose Petals and Gas Pedals Drive was a great run lead by Patty and Wally through the town of Alpine and the surrounding area. With only eight cars, we were able to make through most stop signs and signals together. The weather was not too cold or not too hot, with periods of sunshine and clouds making an enjoyable drive.

Watch for more events in future newsletters or e-mail Blasts as the county and the state continue to open up.

Be healthy, be safe!

Z you on the road.

Michael

ROSE PETALS AND GAS PEDALS DRIVE

MARCH 20TH, 2021

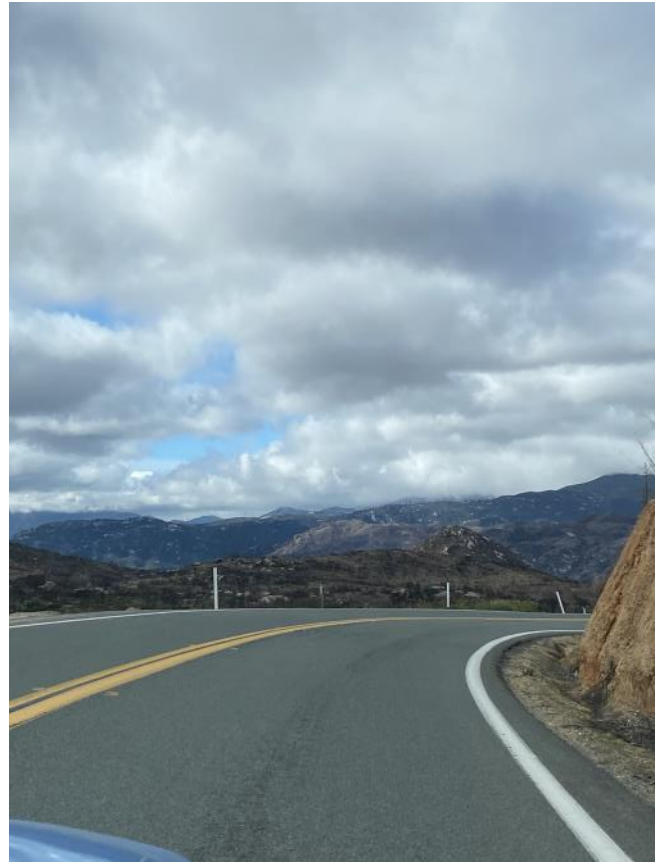

A beautiful Saturday for another great drive. The format was 'Caravan Style' with all the cars staying together to enjoy the sights and picture opportunities. We even had a rest stop at the Hollenbeck Canyon Wildlife area.

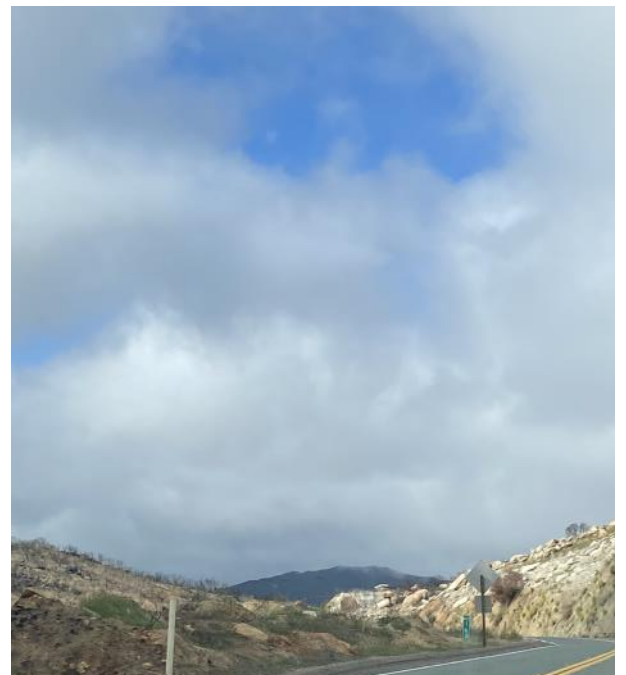

I was even there!

MARCH DRIVE CONT.

The sun made it out and the views were gorgeous. Our final stop at the Sequan Square Gas Station, provided custom made sandwiches and the opportunity for a short Board Meeting.

HELP WANTED!

Our webmaster, Rich Scharf is retiring... at least from being our webmaster, and moving out of state in October and we are in dire need of someone to step up and volunteer to take over his position.

The duties would include:

- Post the monthly Newsletters to the website in a timely manner
- Update and keep the Club Contacts Officers listing current
- Update and keep the Events Calendar current
- Post members pictures in the Members Gallery
- Maintain the Sponsors Listing page

Rich uses a site designer program, for people who code and **those who don't**. He says it uses WYSIWYG software (pronounced "wyzywig") which stands for "what you see is what you get". It's kind of like using PowerPoint only everything is set up on a grid. Since the site is set-up already, it doesn't take much to maintain.

There is plenty of time for Rich to teach you how to use it.

Questions? Contact Rich at rich.scharf@att.net

Michael Libonate finally makes it to Key West, FL.

Between the storms and COVID-19, his dream was postponed for over a year. He plans to be home intime for the Bottom Buster Motor Tour April 12—15, 2021.

Z STUFF 4 ZALE

I've got two extra sets of 240Z wheels. I bought the one set with lousy tires for pushing the car around until it got back from the body shop which it just did last month. I was going to use the slotted wheels, which were the ones I put on the car in 1971. But since they were almost 50 years old, they were pitted pretty bad

and I had them powder coated. They came out well, but I decided to use BRE wheels instead. Anyway, they're worth about \$8 a piece at the recycler and I need to get them out of the garage. I'd be glad to sell them to a good home for \$8 each.

I also have a set of seat covers for a 70-73 240Z for \$100 or best offer.
