I hope everyone has been able to enjoy their Z's during the dry periods between rainstorms.

Last month's run to the Craftsmanship Museum in Carlsbad was fascinating. The variety of scale models and craftsmanship it took to make the models on display were incredible. Models ranged from small one-cylinder airplane engines the size of your thumb to large outdoor-size trains and everything in-between. One model, a 1/6 scale 1932 Duesenberg, took over 20,000 hours to complete. After touring the museum, a great lunch was had at Pizza Port.

A big Thank You goes out to Carl and Wally Cook for updating the club's website. The events page now lists this year's (2022) events and January's Newsletter is posted on the Newsletter page.

Our event this month will be the K1 Cars on Saturday, February 12<sup>th</sup>. A great time to put your racing skills to use. Event details later in this newsletter.

Be healthy, be safe!

Z you on the road.

I would like to write about the benefits of being a active member of the club. Dara the owner and master mechanic at C & D auto Care in La Mesa has a huge knowledge of the Z cars. New members of the club might not have heard about them. On your 1<sup>st</sup> time there, they give you \$25 off your repair and a free safety inspection.

Ask me at the meeting for a business card or email me at [chucksbarand-grill@cox.net](mailto:chucksbarand-grill@cox.net) And I will mail one to you. When you call Bobby the service writer will answer and let him know you belong to the Z club and you will be taken care of. All regular Z car members get a club discount on all repairs.

Z Ya soon.     Chuck
