PreZident's Message

By
Michael Montag

For those who have not heard or do not remember, I will be handing over the club steering wheel to David Ferris as the new President at the January 7 th club meeting. I want to thank David for assuming the presidency and continuing to lead the club into the 21 st century.

I want to thank these board members: Clif Yassi, Dennis Darnell, Patty Cook, Wally Cook, Sheri Arnoth, Lenny Arnoth, Carl Cook, David Ferris and Chuck Golden(RIP) for all of their help, guidance and patience during my term. Together, we not only survived the pandemic but also emerged as a much stronger club.

As for me, I will remain an active member, attending meetings and events/runs.

Hope to Z you all on the road.

**Happy New Year,
Everyone!**

Michael

Vice President's Message

The Convertible guy's message
AKA Vice President David Ferris

First thing I would like to say is I hope everyone had a safe and wonderful holiday! Second thing is that ZCSD will have our normal meeting on Wednesday, January 7 th, at 7pm, at Elijah's. Come at 6pm and grab your dinner and catch up with everyone. Mike Ryan, our new incoming Vice President, has a guest speaker set up for us that should be very interesting.

The ZCSD board has come up with a year's worth of events that should be very fun, have lots of driving, and be interesting to boot. Your new incoming Vice President has a lot of ideas he's been looking forward to implementing for 20 years. Your new President also has a couple of things up his sleeve he's been working on since joining the club a few years ago, so it is going to be a very fun filled year ahead.

We have also set up to allow paying dues online with Zelle and Venmo. Those instructions will be in the upcoming newsletters before yearly dues need to be paid. A big thank you goes to Dennis Darnall, our Treasurer, for finally getting those services set up.

There will probably be a few more things that will be different this coming year. We are looking forward to a couple of Tech Day ideas. We will probably have a couple of extra runs in the year to get our cars out on the different roads around our great city and its outlying scenery during the months that we have non-driving events. Some of those will be planned well in advance and others might not come up until a couple of months before the events.

Greg and Judy Carlson will be leading our 1 st 2026 event, a trip to the Craftsman Museum and Lunch set for January 24 th . More information to follow.

The other big event that might have changed a little will be the Main Street America Car Show. The Corvette club is considering making quite a few changes to the car show and while we will support the chance to help the terrific organization, The San Diego Center for the Blind, the Corvette Owners Club of San Diego might make the show too expensive and not as well organized as it has been in the past for some of our members. I promise to keep everyone posted as more information becomes available to me.

Overall, I want to say I'm looking forward to the happenings for ZCSD in 2026. Remember to keep gas in your tank, air in your tires, and your battery charged for our next adventure!

Secretary's Scribblings

By Patty Cook

General Membership Meeting – On December 3

The meeting was opened promptly at 7:00 PM, with 24 members and guests in attendance. Wally Cook demonstrated the proper use of the portable microphone, and President Michael asked everyone to refrain from sidebar chatter. He then led the introductions with the question, "What kind of car do you drive?"

Elections

The election results from last month were announced. Installation will be at the January meeting.
President – David Ferris, Vice President – Mike Ryan, Secretary – Patty Cook, Treasurer – Dennis Darnall.

Birthdays

Greg Carlson read the four for this month. However, none of them were present to select their gift.
Liah Felt, Carlton Gasior, Judy Heintskill, Jon Krause

Competition: Patty Cook announced the upcoming events, and Michael said there will be two Novice Autocross classes held next year.

Past Events Discussed

Wine Run, November 8 th. David mentioned that 1½ hours at a winery was not enough time. Mike Ryan suggested that next year we go to Bernardo Winery, have a car show, and lunch there. He was chosen to lead!

Future Events

There was a brief discussion about member ideas for future events. Michael requested that all suggestions be submitted to any board member via email. They should contain 1. Where 2. Stops 3. Possible routes 4. Are you willing to lead it?

Christmas Party, December 6 th – Sheri reviewed the event. South OC Cars & Coffee, December 13th. Since this is the largest C & C in the WORLD, David asked that anyone planning to attend let him know so he can get your name on the entry list.

Mossy Nissan Cars & Coffee, December 7 th in Oceanside.

Dennis Darnall auctioned off Chuck Golden's Club jacket with the proceeds to go to his widow.

Bylaws

Secretary, Patty Cook, entertained a motion that the proposed changes be accepted as printed in the November Newsletter. Clif Yaussi so moved, Sheri Arnoth seconded it. PASSED.

Meeting Adjourned around 7:30 PM.

Board Meeting Highlights – December 21 st , the 2026 Events were scheduled.

ZCSD Christmas Party December 2025

There was fun had by all at the annual Christmas party dinner and gift swap. There were plenty of steals happening. We also provided good gifts for a charity. It was good to see everyone there and hope to have a better one next year!

Officers meeting and potluck.

Our next meeting on January 7th will have a guest speaker.

For my last assignment as member at large and my first assignment as in coming Vice President. I have invited Joe Morgan from Detail Garage, to be our first guest speaker of the year.

Joe will come with many years of knowledge in the detail industry. He's going to share his experience with the Chemical Guys Products. Chemical Guys are the only products sold at his shop.

We look forward to kicking off this new year with Joe and his amazing products. As you all know. We all enjoy making our cars look their best. I've been using Chemical Guys for many years and plan to continue using them.
