February was a busy month the Friends of Mr. K Fun Run and the club run to the J.A. Cooley Museum. Friends of Mr. K Fun Run had about 20 cars, and we drove from Rancho Cucamonga to Ridgecrest to Hearst Castle to Morro Rock to Lyon Air Museum in Orange County as the last stop. The club run to the J.A. Cooley Museum had about ten cars as we drove through older homes near downtown San Diego and then across and back on Coronado Bridge for a quick tour of Coronado. The museum had some great old cars, model railroad trains, clocks, and other toys. I think the museum owner likes 240Zs as she went down the block to look for the Cook's 240.

For this month's speaker, we have Bill, a volunteer at the Air and Space Museum at Gillespie Field, who will do a presentation on airplane and vehicle restoration.

Our event this month will be the Miniature Engineering & Craftsman Museum in Carlsbad on Saturday, March 21st. The museum features small scale metal and wood craftsmanship like airplanes, autos, combustion engines, guns, model ships, and tools.

Z you on the road.

Michael
