

Something new for the July event

We are going to visit the Zimmerman Automobile Driving Museum in El Segundo on July 9th. This is a car museum with road ready vintage cars that gives rides to the public on Sundays. They have over 130 cars on display and a 50's ice cream parlor. We will caravan up on Sunday morning when the traffic is light and go to lunch in the afternoon. There will be more details in the July newsletter.

The Zimmerman
