The Vice PreZ Sez...

Hi fellow Z members,

Welcome to the September edition of Vice Prez Says. We had some great events in the month of August. A cruise up the coast, a rally event, the El Cajon Car Cruise and Dyno Day. I want to thank everybody for coming to the events. I'm already planning two cruises for next year. Let me know if you want a specific place to go and plan the route for it.

I want to thank the Z32 Club of San Diego for putting together the Cannonball Run Rally event. Everybody from the club who was there had a great time and I don't think anybody was lost. Lets hope that they do either a North County or East County route next year and we have more ZCSD members do the event.

Now on to September with the All Japanese Classic Car show at the Queen Mary in Long Beach and the Speed Festival at Coronado Island. Hopefully will see our own competition director Mick in the event this year. November event will be the Winery run through Temecula.

Of course its coming to the end of the year and that means new officers for the club. I'm putting ,my name officially for Pres. I'm hoping I do as good of job as Melody. Don't forget the other positions we have to fill. I would like to see more of you members out there come to our meetings are participate, become part of the board.

Again I want to thank everybody who came out to the events and I'll see you at the meeting.

MR. MATSUO VISITS DATSUN MUSEUM EXHIBITS

In August 7, 2010 Z car enthusiasts had the opportunity to meet Mr. Yoshihiko Matsuo, Chief Designer on the Fairlady Z project at the Datsun Heritage Museum in Murrieta, Ca. Members of ZCSD and Inland Valley Z Car Club were present as Mr. Matsuo was interviewed by representatives of Japanese Nostalgic Car Magazine.

Mr. Matsuo leisurely talked, signed autographs and walked the museum as he reminisce on memories brought back by the memorabilia in the museum, he also took time to walked around the parking lot to admire and delight on the Z cars that were there, like a father he meticulously observe each and one of them as if recognizing them from the assembly line. After a brief lunch some of us headed down to the San Diego Automobile Museum where Mr. Matsuo meet us for the Datsun/Nissan: The American Story , an exhibit and history of an automobile brand , a man Mr. Yutaka Katayama and a vision that changed forever the American sport automobile industry.

THE Z LUNCH RUN: CRUZIN OLD 101 NORTH COUNTY

The Z Lunch Run.

I want to thank everybody who came out for the cruise up the coast. We had a total of 8 cars and we had almost all generations out there.

The weather turn out to be perfect and the drive up the coast was uneventful. We had all green lights for everybody and nobody got lost. Hopefully everybody who saw us was saying 'What are all the Z's doing'. I know wishful thinking. Of course I saw on the road the perfect family cruiser, an old Model T. They even had the family dog.

The Cafe 101 was perfect place to end the run. Great little dinner and plenty of parking. The service and food were excellent. I would suggest this place to anybody for a place to have a great breakfast or lunch. I think we might go there again?

Later cruisers, Peter

CANNONBALL RALLY

Cannonball Run Rally 2010

I did it again, the Cannonball Run rally 2010 put on by the Z32club of San Diego. There were 2 other members of the club who participated in the event and again they had a wide variety of Nissan, Datsun and Infiniti vehicles.

We started at the Miramar Speed Circuit and the course wound through San Diego all the way to La Jolla. This year they added skill tests to the event. They had a free throw skill, putting skill and check your oil skill. I was the only one to get the putt in the first try but I missed 4 bonus photos and that really hurt.

Z32 Club will do this again and I want to see more ZCSD members in the event.

EL CAJON CAR CRUZ

On August 11 several of gathered at the Greek chicken to do the El Cajon Car Cruz. There was the usual mix of vintage classics, Rods and mussel cars . It is always fun to see how other people modify and customize their cars. From custom interiors, custom bodywork and fancy paint to putting the engine in the front of a rear engined. car.

DYNO DAY AT THE DYNO SHOP

Six cars went on the dyno at the dyno shop. From Wally Cooks Sweet running 240 Z to Lennie's new 370Z. We all watched the monitor as each car was revved up in which-ever gear is one to one. There was plenty of food for everyone including chocolate cake. Lenny provided the barbeque and did the honors as chef. Thanks to all who came out.
