MELODY BAKSHANDEH

Melodyb1@cox.net

We started the month of April off with a great drive to Anza Borrego Desert thanks to Clif Yaussi. We had a good turn out of 10 cars, one of which started out on Sunday, oops. We had a great general meeting with a guest speaker, Steve Pharr who really showed us what it takes to race the "24 Hours of Lemon". We then voted on the revised By-Laws which passed. The Bottom Buster Motor Tour was a great 3 day event with a good mix of cars (Japanese, German, British and American). We had a good board meeting with the ground work done by Clif Yaussi for the 20th anniversary of our club. This will be the main event for all club members, mark your calendar for May 22nd. The monthly meeting for May will have another speaker. I look forward to seeing you there.

A native to San Diego born in Mercy Hospital, Gary was told by his father that auto repair was expensive and advice him to learn how to do it himself. Gary became an auto technician and start working in an European auto repair shop (BMW,VW,PORCHES). Later on he worked at Personalized Z Service, it was there were the Z bug got a hold on him. Gary's first Z was a 1978 280Z. While in a Z Convention in Arizona he met with some Z CLUB members from Az chapter and they suggested that it would of be nice to have a chapter in SOCAL, and under the National Z Car Club Association in 1991 ZCSD (Z Club San Diego) was established to service the Z enthusiast of SOCAL, not only as a way to socialize but also to distract from the personal and work routines providing touring outing and charitable events.

Gary is also the first ZCSD president position he held from 1991 to 1994.

During his year as ZCSD president some of the activities that were sponsored by the club include: Temecula Wine Tour, Visit to Campo Railroad, Borrego Wildflowers, Malibu Grand Prix, NDI, Toy drive during Holidays, and the National Z Car Club Convention in wish ZCSD was the proud and honored Host.

Gary and his wife Sharon run a well known Z repair shop " Z Whizz", as we formerly know it . Now they have rolled and adapted with the times and rename their business : AERO AUTO REPAIRE expanding their service to all auto makes, providing the z enthusiast and community the quality and knowledgeable service they deserve.

PATTY'S REPORT

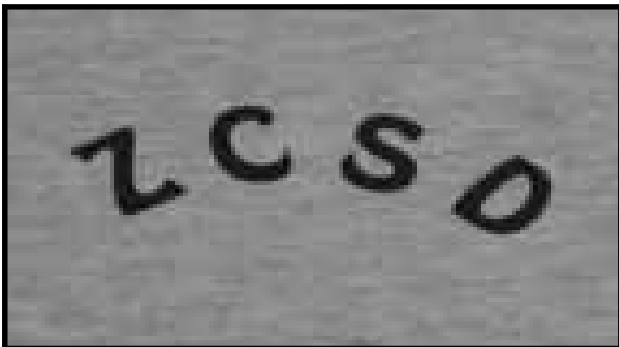

V-P Wally Cook opened the General Meeting, welcoming everyone. First order of business was to vote on the By Laws. The membership approved the By Laws with the stipulated changes to inconsistent numbering. The officers and Chairmen gave their reports and Michael Libonate stated that there were only 4 spaces left on the Nethercutt Museum Shop Tour proposed for October 29th. The meeting was interrupted by a woman seeking a “ 80’s ” car to feature in advertising for the “Race to the Fair” . She viewed the cars in the parking lot and chose “The Blue One” belonging to Hugh Clark. We look forward to seeing it feature. Clif Yaussi reported on the 20th Anniversary Party plans and introduced our speaker for the evening, Mr. Steve Pharr, who showed pictures and video of the “24 Hours of Lemon”. Steve invited everyone to view his race car after the meeting. April Board Meeting, your officers approved certain expenditures for the Anniversary party (commemorative pins, trophies, food etc.). Eric Forman is working with a vendor on a new club shirt. Eric also suggested ideas for the web site-check it out: ZCSD.org. The next board meeting-open to all members- will be Tuesday,

MEETING AND GUEST SPEAKER

10UEST SPEAKER AT APRIL'S MEETING:

Steve Pharr shared video clips and tales of his adventures in the " 24hr Cars of Lemons" races he and his co-drivers have participated in this season. He trailer his race car to the meeting for show and tell also.

He and his wife Terri both drove Datsuns when they met, now own a 240Z, 280Z, 350Z and a Datsun 510 (Honda Transplant) and just sold a Datsun 710 originally used at the Bob Bondurant School of Racing. They attended the National Z Car Convention in San Antonio Texas in 2009, trailering his 240Z race car across the southwest. He has been racing or auto crossing his Z for the past 5 or 6 years, and loves the Z cars because they were affordable, and nobody expects them to be fast. Also because "everyone used to have one" and wants to tell you their story.

Steve lives in El Cajon and he manages industrial real estate when not working on Datsun projects. His latest one is dropping a Honda S2000 engine into a Datsun 510.

Clif Yaussi met Steve at the San Antonio convention, got to ride some hot laps with him at the track day event, and knows you will enjoy Steve's outgoing personality, enthusiasm for Z cars and fun program.
