ZCSD 20th ANNIVERSARY PICNIC

ZCSD 20th ANNIVERSARY CAKE

Word from The Vice PreZ

The month of May started with the monthly meeting where we had a good turnout of members. Roger Daniels was the guest speaker and explained about aligning the Z cars, and the breaking systems. Roger showed that he has over 25 years experience and is considered one of the best in the industry. We also had a quick Board Meeting to approve the purchase of NEW Club shirts. They were made available at the 20th Year Celebration Picnic. I was taken out of action with a hip replacement surgery on May 4th, but will be participating for the next 6 weeks at a slow pace. I want to thank all that signed my get well card at the meeting, and it was a surprise when I received after the surgery. 15 club members went to the tour of the Nissan Design Center which was fantastic and thanks to Lenny for setting it up. The Board meeting was very productive and all members are encouraged to attend and see how your club is run.

The June speaker is Paul from U.S. Wheels. He will talk about balancing tires, straightening old rims and polishing versus chroming to make our wheels look better than new. We will also have the new Club shirts for sale.

CLIF YAUSSI

Our friend **Clif Yaussi** is ZCSD second former president from 1994 to 1996 . Under his presidency some of the activities that took place were: visit to the Peterson Museum, Palomar Observatory , Z Across America, Bondurant Driving School, March Air force Base, Fast Food Rally, Nissan hosted party at Peterson Automotive Museum celebrating the last 300ZX imported to the U.S.A. Clif is now the Membership Coordinator for the Club and also was in charge with Sheri Arnoth to coordinate the ZCSD 20th Anniversary Picnic., so as a matter to get to know him better I asked Clif a few questions, so read what he got to say:

Where are you from?

I'm a California native, born in Glendale, Ca. went to college down here in San Diego at Cal Western University out in Point Loma. Now the campus of Point Loma Nazarene. Met my wife Marcia (center photo) while there.

What is your line of work?

After 4 years in the Air Force I got out and returned to Glendale to work for the YMCA as a youth director. I didn't like the night and weekend hours, so I got a job with the phone company, and spend 30 years in the Engineering and Construction side of Pacific Bell (now AT&T, again). I retire in 2006.

How and when did you get involved with the Club?

Marcia and I had moved back to San Diego in 1981(Alpine). Then in 1991 I joined the Z club that had just been formed. Member # 13.

What was your first Datsun/Nissan ?

My dad had bought a 1973 240Z new, and when he stop driving in 1991, I bought it from him. It was blue, with a white landau top, put on by the dealer as a special package. I saw one other like it in El Cajon back in 1995. It was a 3 sped automatic, so I move on to a '78 280ZX with a 5 speed for better performance and mileage. I have also had a '91 300ZX, and the '94 300ZX convertible I drive now (see page 10).

What is your most enjoyable memory as a former ZCSD president ?

The Club was a charter member of The National Z Car Association and we had a leg in the Z Across America Relay in 1995. A great group of members participated in our drive from Los Angeles to Casa Grande, AZ

What is your vision for the Club in the Future ?

The Datsuns are finally getting recognized by the vintage race groups for the performance oriented cars they were. I'd like to see the Z clubs with the big variety of Z's we all drive, go to some of these races and support the Z effort. Have a giant group with tons of cars parked together and yelling and cheering for the Datsuns. We have a spectrum of activities we as a club do. I wish more club members would come out and support the events they enjoy.

PATTY'S REPORT

V-P Wally Cook opened the General Meeting, welcoming everyone. Lenny Arnoth introduced our speaker Roger from Roger Daniel's Alignment & Brake, Santee. The officers and chairmen gave their reports and Michael Libonate stated that there were only 2 spaces left on the Nethercutt Museum Shop Tour proposed for October 29th. Lenny announced that he had set up the Nissan Design Center Tour for May 24th. Clif Yaussi reported on the 20th Anniversary Party plans. Eric Forman arrived late, modeling the new club shirt. There was a quick meeting of the Board to approve paying the deposit so Eric could have shirts at the 20th Anniversary Picnic. Other news : The September 14th Palos Verdes Concourse will feature an "Old Japanese" class; and next year Motor Sport will be a full 3-day event.

The Board Meeting held May 17th was quite productive finalizing the details of the picnic, advertising guidelines for our Newsletter and research for a new credit union for our banking. The next Board Meeting-open to all members- will be Tuesday, June 21st, at 7:00 PM, Marie Callender's (6950 Alvarado Rd., 1-8 Lake Murray/ 70th St. exit).

Nethercutt Museum

Michael Libonate

Our friend **Michael Libonate** has been working tirelessly putting together and coordinating once again the Nethercutt Museum tour for October 29, 2011. He informed us that there are only 2 spots left for the very unique shop tour and 27 spots left for the car collection tour.

The Nethercutt Collection features rare collectibles ranging from mechanical musical instruments and antique furniture to the heart of the collection: over 250 American and European automobiles dating from 1898 to 1997.

Founder J.B. Nethercutt spent a lifetime establishing this collection of historic importance. Unique to automobile museums, each car on display is attentively serviced and maintained to remain as drivable as when the vehicle originally rolled off the showroom floor. On view are various Pebble Beach Concours d' Elegance winners and cars once owned by movie stars, royalty and other notable personalities. The entire collection is housed in two beautifully appointed exhibit facilities located just north of Los Angeles.

Housed in the Museum is the Nethercutt Automotive Research Library and Archives, one of the world's top automotive research facilities. Just steps outside the Museum are a resplendently restored steam locomotive and railcar.

Opened in 1971, The Nethercutt Collection is an endowed, not-for-profit education institution and resource for automotive enthusiasts, historians, students and scholars. It is open to the public at no charge.

Please do not miss this opportunity to visit one of the world's most interesting and intriguing automobile museums. For more information contact Michel Libonate at: mlibonate@gmail.com
