September was even a better month for club activities. We started off with a good meeting and a great speaker who was Jerry Kubitsky from Summit transmissions. Sept 10 was the all Japanese Classic Car Show at the Queen Mary in Long Beach. The next day, Sept 11th, was the Z32 Cannon Ball Run and our members had real fun and no tickets. Then a very active board meeting on the 20th, and then members attending the Coronado Speed Festival with free Corral passes. This was reported as a lot of fun and very noisy. With all this activity, we have the most active Z Club in Southern Ca.

October will be as good or better.

This is your Club. Come on out and share in some of the fun.
