## **Minutes of the Z-Club of San Diego Meeting January 5, 1993**

Gary opened the meeting at 7:25 PM. The first item was to review the upcoming events:

The January 23rd event was a drive to Campo to visit the Campo Railroad Museum. See the January Newsletter for details.

The February event is scheduled to be a tour of some of the Temecula wineries. It will be on February 14th (Valentines Day). See the flyer in this month's newsletter for details.

The March event is tentatively, a trip to Borrego Springs, hopefully when the desert flowers are blooming. Details at the next meeting.

Yvonne gave a list of current members and the due date of their dues to Mag, a list of current members to Will and a summary of Z-Car years, models and colors to Lance. The later is reprinted in the newsletter.

We had two visitors attend the meeting: Flo Murphy and Bob Robertson. We hope they find the Z-Club interesting, fun and informative.

Tony reported the treasury balance to be \$ 608.60 and that our present bank has a monthly service charge of \$ 12.00. Mag suggested we change to a bank with no monthly charge. The membership agreed and Mag will make the change this month. Speaking of \$\$money\$\$, look for a reminder from your friendly Membership chair that it is time to ante up for the yearly dues. Dues will be \$25 for renewal, \$15 for an Associate Membership. Associate members will receive the Newsletter but will not receive Z-Club Membership cards (good for substantial discounts at our sponsors!).

A reminder about the National Z-Car convention being held in St. Louis, MO, July 21-25, 1993. Call Gary for details. It would be nice to get some San Diego representation this year and also find out what it will take when we host the convention next year.

The meeting was adjourned after the door prize and 50/50 drawings (the 50/50 was won by Flo, one of our prospective members).

## Z-Club of San Diego Phone list

No one called to tell me not to release your name to the nefarious scoundrels in the Z-Club so here it is! The much sought after list of who's who. We trust it will be used properly and for worthwhile things like telephone solicitation, insurance salesmen, and financial planning consultants and not for such silly things as arranging carpools or planning club events. If there are any errors or omissions please call Lance or Yvonne to make the correction.

### Sabrina's Rules of the Road:

The Parade Magazine January 10, 1993 had a cover article about Sabrina Nickerson, a young woman who runs a towtruck in and around Tucson, AZ. Included in the article, which was interesting as the story of someone who is doing what they want to do and having fun doing it, were the following suggestions for motorists who want to save themselves some trouble and expense while traveling. Most of the suggestions relate to preventing accidents, all are common sense.

- o Keep your mind and your eyes on your driving. Don't slow down to rubberneck at accidents or other distractions. Remember: you're not the only driver on the road.
- o Always adjust your speed to road and weather conditions, and never tailgate.
- o To prevent being stranded helplessly, carry basic tools like a set of screwdrivers, a crescent wrench, a tire gauge, a lug wrench and a jack. Also take a flashlight, extra fuses and spare keys. Learn basic mechanics, such as how to change a tire, a fuse or a fan belt.
- o Carry drinking water and water for your vehicle [but remember never to open the radiator cap of an overheated vehicle - always wait for it to cool down.- Ed.]. Keep some snack food on hand [But nothing greasy that would make your steering wheel difficult to grip firmly.- Ed.].
- o Stop every four hours for a break, even if it's only a five minute stretch and walk.
- o Tell someone when you're leaving home and when you intend to arrive. Plan your route before you go and take a map.
- o Anyone traveling long distances - especially women - should learn self-defense or carry some form of self protection.

By heeding these rules maybe someday an ZCoSD member can buy Sabrina a cup of coffee at a truck stop in Tucson instead of making a payment on her towtruck ( we'll let the Alfa and Porsche Clubs do that).
