Minutes of the Z-Club Meeting, October 5, 1993

There were no new members to introduce this month.

The minutes, as printed in last month's Newsletter, were approved without modification.

President's Report: Bob Thorn, due to illness, is not able to pursue the Club's incorporation. If anyone can recommend an attorney who will help us at a reasonable cost, please call Gary. The application for membership in the San Diego Automotive Museum in Balboa Park has been approved, the ZCSD are now members of the Car Club Council. Our flyer will now be displayed along with the flyers of other Clubs so Z enthusiasts visiting the Museum will be advised of our Club's existence.

Treasurer's Report: The Z-Club account balance is \$923.31.

Convention Committee: We need people to work on the Program, with an April printing target (Marilyn and Clif volunteered). Gary will coordinate the Dinner Cruise; Dennis, Lance and Ben will coordinate the Car Show and Lance will coordinate the NDI tour. People interested in the National Convention met at Tony Cline's house 8077 Deerfield (off of Mission Gorge) Wednesday, Oct 20, 7:30 PM. It's time to help by signing up to help committees, so let's have a big turnout at the next Convention Meeting!! The time will be announced at the next Club meeting (November 2, 1993).

Old Business: Marilyn found out that it is illegal to attach things to fenders, doors, bumpers unless you are part of a Funeral. She will check with a yacht club to find out how they attach pennants. A suggestion from the floor was that Club members buy a pennant and figure out for themselves how to mount it.

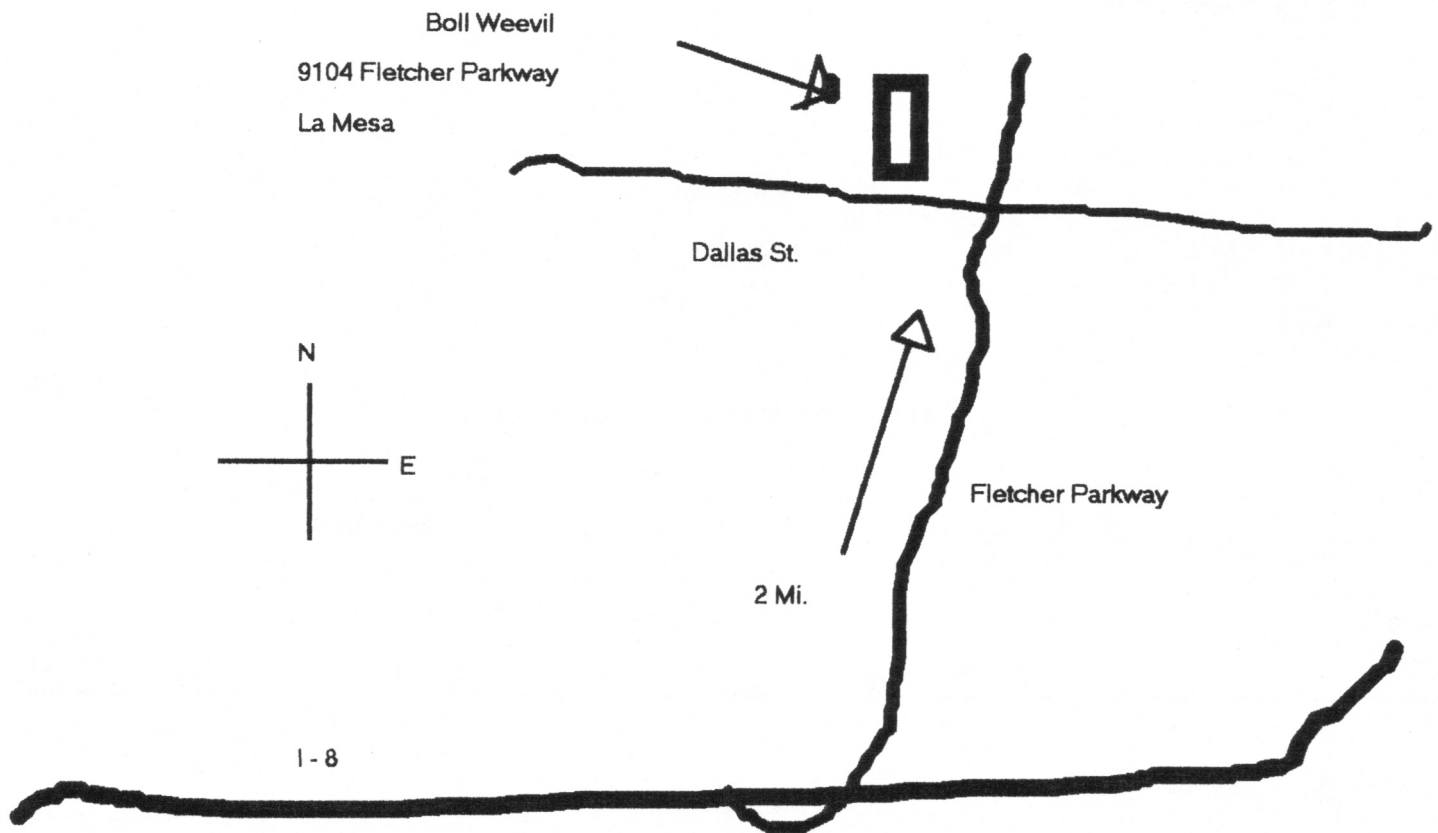

Dennis and Mag won the Door Prizes (Nissan Fanny packs provided by Tony and Lamb Nissan); Lance won the 50/50 drawing, then we adjourned.

From the Newspaper Editor: Please submit anything you find of interest, either written by you or from a magazine or another club newsletter. The cutoff date for publishing is the 15th of the month, so try to anything you believe worthy of publishing in the Newsletter to me at the Monthly meeting or by the 15th. If you have any fix-it tips for things that went right or any horror stories that might save someone else some trouble, we would like to print it. If you didn't get this newsletter, maybe we don't have your full, complete and/or latest address. Give Lance or Yvonne a call to correct this grievous oversight immediately.

From the Events Coordinator: Please yell it out at the meeting or call Dave Platt with suggestions for club events.

From the Member-at-large: We would like to have speakers at our meetings. If you know of anyone that could talk on a subject of interest to the Z-Club, call Pat Hubbard or Gary.

Dave Platt has had the logo of the ZCSD reproduced on a window sticker. This is a great way to advertize the Z-Club and possibly attract new members. The stickers feature the Z-Car in a white outline with a yellow sun and green palm trees, they look really sharp! They apply to the inside of the window to reduce the temptation of the idle hands of passers-by and small children to alter the sticker's location. You can get the stickers from Dave on meeting nights, send a stamped self addressed envelope [with the appropriate coin of the realm to Dave Platt, 9953 San Juan #8, Spring Valley, CA, 91977] or from Gary at his shop for \$1.00. You can put one on each side of the car and let twice as many people know that you belong to the finest Z-Club in America's Finest City.

MEET OUR MEMBERS

Ed.Note: This month, we introduce a new feature for our readers' enjoyment - Meet Our Members. We hope this will provide an opportunity for everyone to get to know each other a little better, and hopefully increase interest and participation in our club's activities.

We begin this premier issue by spotlighting our club president, Mr. Gary T. Anderberg. In subsequent issues, names will be selected at random from our paid membership list. Will your name be the next one drawn?

When our features Editor calls you, please be willing to share a little of yourself with the rest of us. We think this should be fun and rewarding. Thanks, and pleasant reading...

Marilyn T. May, Features Editor

Gary Anderberg has thus far been the main impetus and driving force of the Z-Club of San Diego since its inception in November of 1990. For the last three consecutive years, he has been at the helm steering the organization as President and providing a home port, so to speak, at his business location in La Mesa.

Gary is the owner of Z-WHIZZ, an automotive repair shop specializing in Datsun/Nissan Z's and Mazda RX7's, a challenging mix of top-performing sports cars. Assisting him in providing personalized, competent service to your vehicles are Rick and Ben (two more Z-Club members), Tim, and Wendy (she's the cute one who sits behind the desk!).

Z-WHIZZ was formally opened in 1985 with a staff of two - Gary and his then spouse. With hard work, determination, and consistently good service, his business sustained and grew to its present size and scope. Having spent about seven years as a mechanic and manager of Personalized Z Service, he decided to venture out on his own - a little anxious, but determined to succeed. Prior to that, he had gained additional experience servicing VW's, Porsche's, and Volvos.

But Gary has other interests in his life besides Z-cars. Of special significance are his three daughters: twins, Carolyn and Linda, 17 yrs. of age, and Denise, 15 yrs. of age. You can catch glimpses of them at some of our Z-Club events, like driving laps at the Malibu Grand Prix races! Gary's other special lady is Pamela Brousseau, our Z-Club Historian.

When time permits, such activities as racquetball, swimming, and tennis provide relaxation and enjoyment. Other interests include tinkering with mechanical objects, travelling, foods, and astronomy. (This is one versatile guy!)

A native of San Diego, born at Mercy Hospital in Hillcrest some 30 plus-something years ago, he was educated in local private schools and is a graduate of the highly regarded St. Augustine's all-male High School in North Park.

Gary can be seen "tooling around" in a 1977 260Z White Datsun, but that may be changing soon, as he is in the process of restoring a Special Edition Z. He's on the lookout! He calls home a new 2 BR, 2 BA condo of about one year, replete with fireplace and scenic view in the heart of La Mesa. Give Gary a call, and say "hi"!
