Minutes of the Z-Club General meeting, January 4, 1994

There were no new members to introduce this month.

Gary passed around a thank you letter he received from Children's Hospital. The letter (printed in the Newsletter) thanks the Z-Club for the toys we donated as a result of our December Tour. We can be proud that our effort to help the community, while enjoying our cars, is appreciated.

Gary handed out copies of recommendations for the car show written by Herve Ouellette of Group Z (Herve obviously spent a lot of time on this proposal). Ben, Lance and Tony will review and discuss at the next Convention Committee meeting. Tony presented a Convention Logo design which was discussed, modifications suggested and approved. Tony will have a color version done for the next Convention Meeting.

We agreed to move the scheduled Tour of San Diego from Friday to Wednesday. Tony has been talking with representatives of the Texas Club and we have slightly revised Wednesday evening's schedule to reserve time for their now traditional Chili Reception.

Group Z has asked Gary that we join one of their meetings to present our Convention details and stimulate member's interest in attending the Convention. We agreed to try to attend their May meeting. Gary will contact Group Z to make the arrangements (Find out the Date, Time, Place and allow for publicity in their Newsletter).

Reminder from the Membership Chair --- Dues are now due for 1994. Please mail your renewal to Yvonne (a membership form is near the back of this newsletter).

Reminder --- Join us March 20 on our tour of the Anza Borrego Desert. This should be a perfect time to see the magnificent desert flowers in bloom.

The next meeting will be Mar 1, 1994 at the Boll Weevil in La Mesa - see the map below.

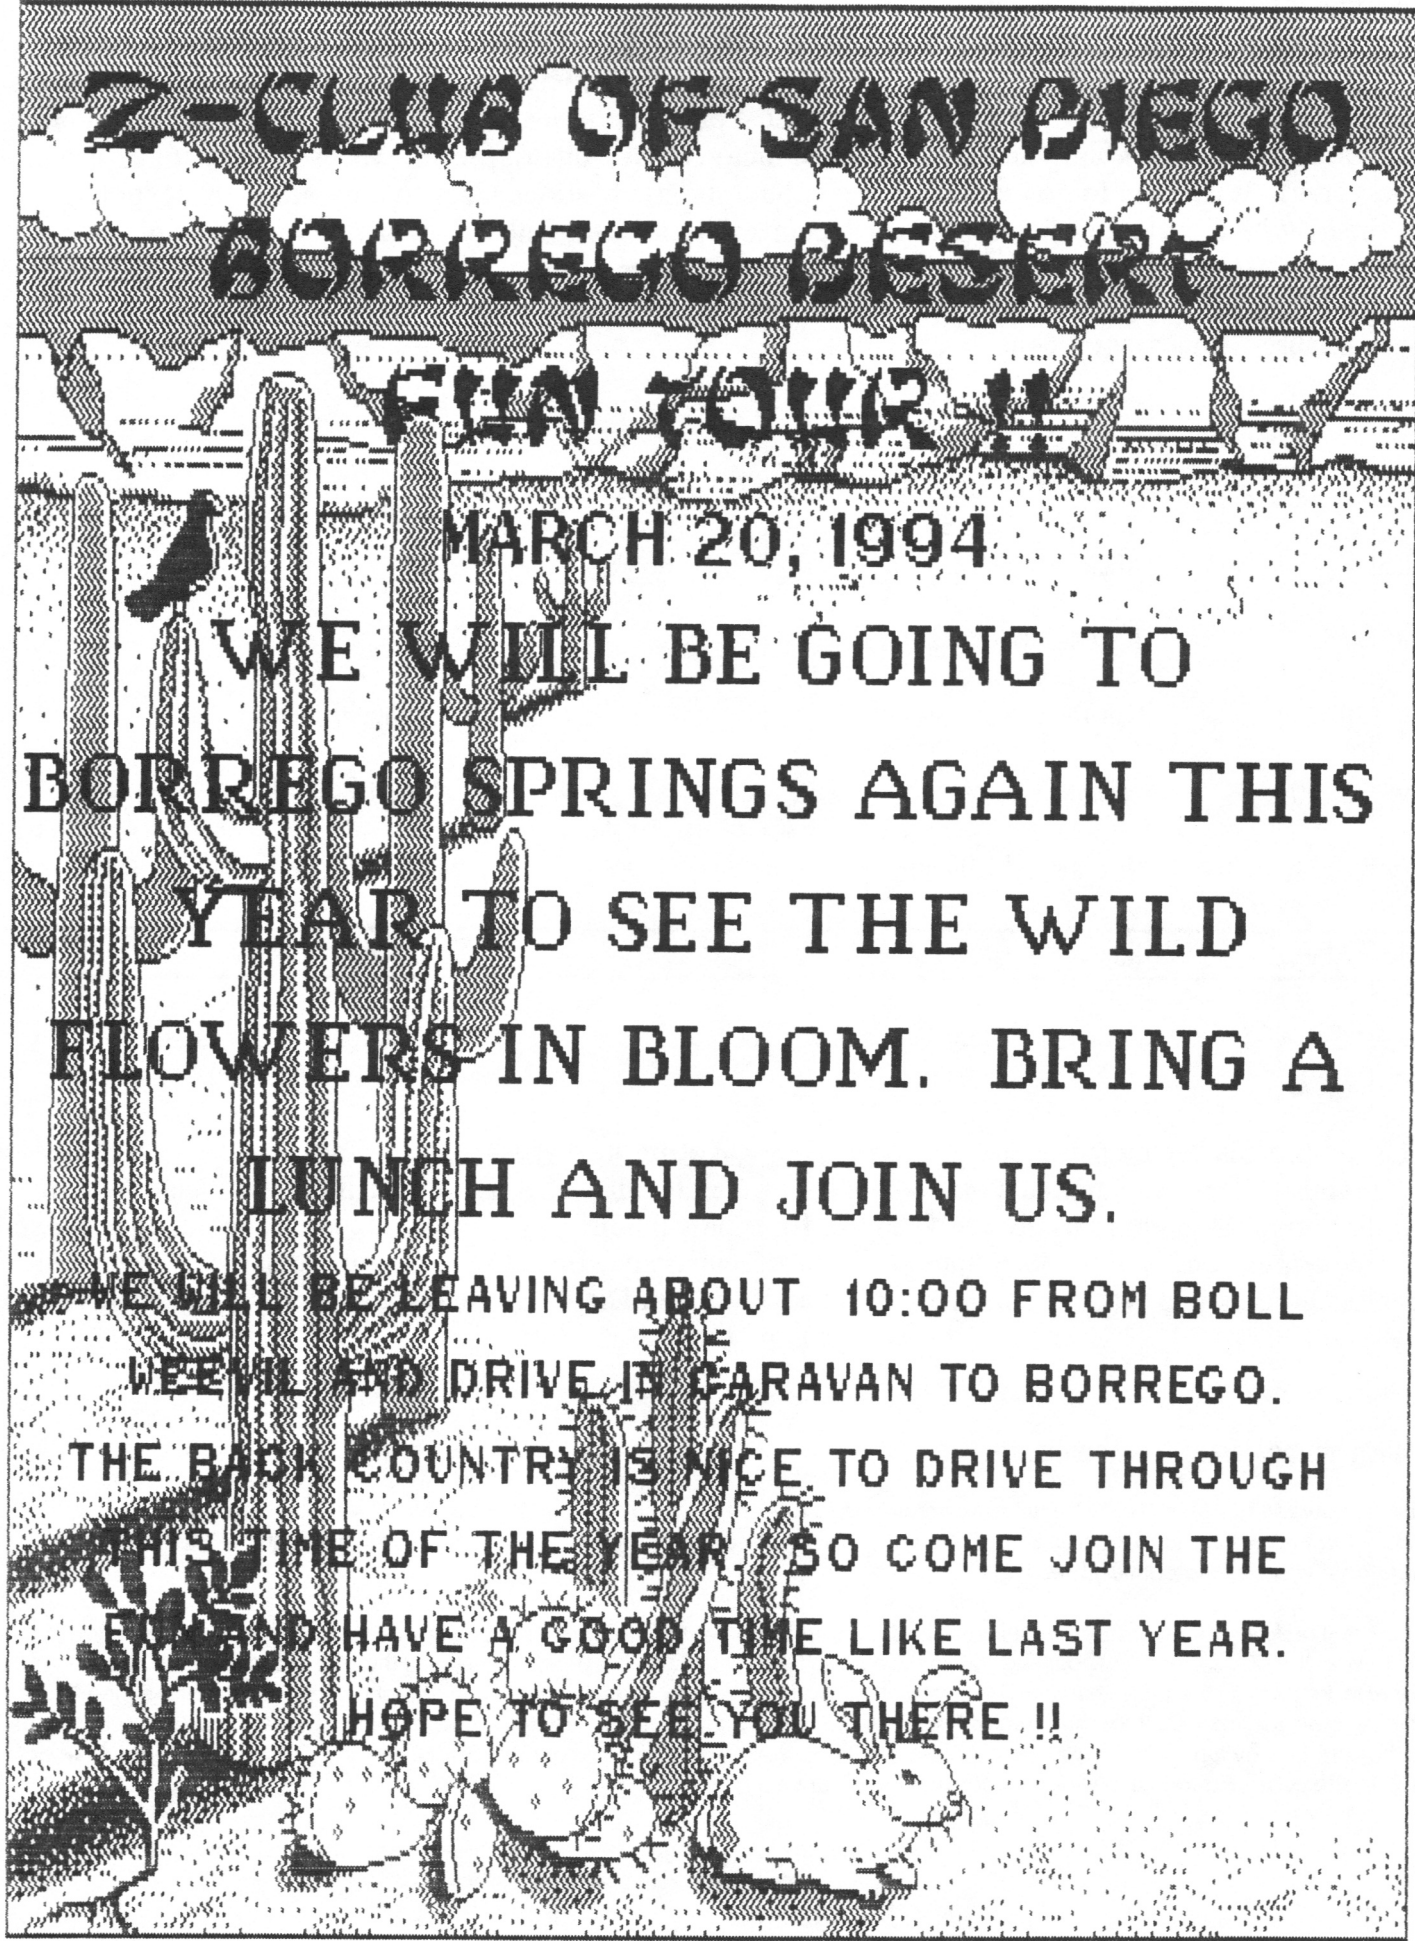

Lance Wills, Secretary

From the Newspaper Editor: Please submit anything you find of interest, either written by you or from a magazine or another club newsletter. The cutoff date for publishing is the 15th of the month, so try to submit anything you believe worthy of publishing in the Newsletter to me at the Monthly meeting or by the 15th. If you have any fix-it tips for things that went right or any horror stories that might save someone else some trouble, we would like to print it. If you didn't get this newsletter, maybe we don't have your full, complete and/or latest address. Give Lance or Yvonne a call to correct this grievous oversight immediately.

From the Events Coordinator: Please yell it out at the meeting or call Dave Platt with suggestions for club events.

THIS TIME OF THE YEAR. SO COME JOIN THE

HOPE TO SEE YOU THERE !!

The February event was our annual Sweetheart Tour of the Wineries in Temecula. We had seven cars this time, even meeting Ed & Carol Hallenbeck. Ed & Carol are members of the Z-Club, but being up in Murrieta makes it a long drive to join in most of our activities. It was great to meet them and have them join our event. We invaded the Maurice Cary, Cilurzo, Baily, Hart and Mount Palomar wineries. Each has a distinctive atmosphere and even though most of the wineries offer the same varietals, the flavors (as you can tell by sampling nearly at the same time) can be quite different. The Wineries atmosphere is also varied. It was fun to go from the homey, but touristy, Maurice Cary to the traditional Mount Palomar (with Gourmet Deli and outdoor picnic area) to the no-frills Mom & Pop operation of the Cilurzo's. "Best View" was found at the Baily winery, where we were able to see three mountains with snow. We lined the Z's with two of the mountains in the background and several shutterbugs had a great picture with a magnificent "backdrop".

What's happening with Nissan in the News?

The "Autoweek" January 10, 1994 issue reported that a new 240SX will debut in the Spring. It will have the same 2.4 Liter 4 that it has now and will be longer, higher and wider (and a little heavier). The Hatchback will be dropped, the article did not mention the fate of the convertible.

"Road & Track" in the February, 1994 issue, had a comparison test of the new Toyota Supra, Corvette and Mitsubishi 3000, along with the 300ZX twin Turbo. The ZX, now in it's fifth model year, was picked by two of the four Editors as the car they most preferred. It wasn't the fastest around Willow Springs, quickest in the Quarter mile or stickiest in the Slalom, but as the Nissan advertisement goes: "Built for the Human Race". Keep in mind that the difference in performance between these four cars can be determined by a pound or two in tire pressure. The other two Editors picked the Supra and the Corvette. My conclusion: 50% of the R & T Editors know a great car when they drive it.

Dave Platt has had the logo of the ZCSD reproduced on a window sticker. This is a great way to advertise the Z-Club and possibly attract new members. The stickers feature the Z-Car in a white outline with a yellow sun and green palm trees, they look really sharp! They apply to the inside of the window to reduce the temptation of the idle hands of passers-by and small children to alter the sticker's location. You can get the stickers from Dave on meeting nights, send a stamped self addressed envelope [with the appropriate coin of the realm to Dave Platt, 725 Garfield Ave, El Cajon, CA, 92020] or from Gary at his shop for \$1.00. You can put one on each side of the car and let twice as many people know that you belong to the finest Z-Club in America's Finest City.

Don't forget the Z-Club of San Diego Hot Line!

Dear Friends:

Thank you for your recent contribution to Children's Hospital and Health Center. Your thoughtfulness to the children we care for is especially meaningful and appreciated.

Each year our hospital treats thousands of children -- sick and injured children, the unfortunate victims of serious medical problems, accidents and abuse. Our community's concern for these children is evident in contributions like yours. Every gift, whether large or small, counts when it comes to a hospitalized child. You can see it in their smiles.

From the staff, children and families we serve, thank you for thinking of us and we wish you and yours health and happiness.

Sincerely,

Jean Larsen
