**NOVEMBER 2005**  
VOL.14 NO.11

## GENERAL MEETING

Last month the following items were presented to the general membership:

**Summer meetings** *The board feels that we should no longer have the outdoor meetings at various parks due to poor attendance. Membership would like to keep the summer meetings, but at one location.*

**Membership Cost** *The board is proposing to raise membership dues or cut out mailing of the newsletter. Currently membership dues cover the cost of providing food for picnics, awards for our car shows, newsletter photocopying and mailing. Membership would like to keep the newsletters coming in the mail.*

**Election of new board members** *It is time to start nominating people for the board. Our board positions are President, Vice President, Secretary, Treasurer, Newsletter Editor, Newsletter Production, Events Coordinator, Membership Officer, Member at Large, Autocross Coordinator, and Webmaster. Nominations will be taken in October and November with the voting in of officers in December.*

*All positions are open for nomination. We will need to finalize the nominations at the November meeting so that we can have the election of board members in December.*

**Please plan on attending the November general meeting at Denny's in Clairmont Mesa. We will have final discussions and voting on the first two issues.**

## HORSEPOWER FOUND IN SANTEE

**Lenny Arnoth - President**

Well the search is over, not only did we find horsepower, we found a free BBQ located at the same place, the DYNO SHOP out in Santee.

I got there with my truck loaded with BBQ fixings and found Dave Platt waiting, some things you can just count on and Dave is one of them. **Sheri also made her KILLER chocolate cake.**

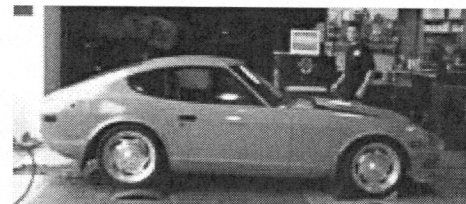

So needless to say, we had a much better turn out than we did at the last dyno day ... must have been the food .

All told we had 18 cars racked, included in the total were a **FORD MUSTANG**, a Nissan Murano, Hmmm, I wonder who that belonged to... and a **BMW** brought by Mike Lee.

Z after Z was racked and tested,, some were happy some were not, some worrisome moments for the BMW, just so you know you can't drive it with the hood open, leave it to BMW, that little safety feature got Mike a wee bit nervous as the car refused to go into gear...

This is a great way to find out just what your Z is doing on the road. Most of us found out that we are running TOO RICH,, that equals BAD FUEL MILEAGE and at \$3.00 a gallon that can add up.

All in all there were no problems everyone drove home as they had arrived with a smile on their face...and a full stomach. Thanks to all that attended.

*Ok, so I nothing to complain about. Now what?  
Well I want to thank all of those that came out to the  
dyno day at the Dyno Shop out in Santee. Even my  
[wife] Sheri came and enjoyed herself, so it is a family  
event.*

*I hope we have a good turnout at the next meeting  
because we always have something that we need a  
decent turnout so we can vote on issues without  
someone saying, "Hey I wasn't there."*

*So here is your personal invitation to our next  
meeting...*

*We might also have a couple of guests speakers, John  
Garcia from Mossy El Cajon with free stuff and a  
surprise guest, the man with the most Horse Power at  
the dyno day Tim Richards from Speed Force  
Racing. There will also be food from Denny's vast  
menu.*

*So come out and tell me want you want from your  
club, meet the guests, and have something to eat at  
our next meeting.*

*Lenny*
