; Well for those of you that stayed home and didn't go to Lake Havasu for the Fireworks weekend you must have really enjoyed the rain.

At Lake Havasu it was BEAUTIFUL weather, good friends and good drives through the desert south west

The next few months will probably be the most important of the year with

Motorsport and the National Z car convention in Dallas..

So plan accordingly

I will try my best to get more people to come down and talk to us.

I will also try my best to not to get so wound up about things.

I really believe in our club and I am always trying to do right for you.

Sometimes it works, sometimes it doesn't

Trying keep us current and interesting is a task so if you have an idea about someone or something you would like to know more about let me know..

Motorsport is getting close so bust out your wax on wax off drills  
Thanks for reading

Lenny

## **To ALL the members of the Z car club of San Diego**

As you probably know by now there has been an ongoing debate about the membership and the Sport Z Magazine.

Well it seems that the IRS could play a factor in our lives should they want to about this because we would be supporting a "For Profit" organization and we are Non Profit. The fact that we all have to comply with Sport Z's all or nothing membership requirements leaves a bad taste in my mouth due to the fact the we would be closing the door on members that have no need or want for the publication. I would much rather cough up the extra \$3.\$4 dollars to receive this magazine than to loose just one member.

So at this point if you really feel that you can't afford the extra couple bucks the you would save with all inclusive membership package there are other Z clubs that offer this.

I myself don't like someone else controlling the policy of our club with the YOU MUST OR YOU CAN'T play with us

As stated in the SZM doctrine this is touted as a Partnership with SZM. A partner is someone that helps the cause not wounds it

If the IRS was the only worry and the policy of SZM was that if the club only needed 50% involvement for the discount I might be tempted but when policy is DICTATED to ZCSD I am out.

**The truth of the matter is**

they need us a whole lot more than we need them.'

### **We run ZCSD not SZM!**

#### Definition of a partnership

In the common law, a partnership is a type of business entity in which partners share with each other the profits or losses of the business undertaking in which they have all invested. In this we would be the one taking a loss not SZM. they only want to show on paper that there circulation is growing so that advertisers would be more likely to invest meanwhile our Clubs the membership and friends would be leaving so we loose SZM gains
