THE PREZ SAYZ

Welcome to the first news letter of 2015. I have written a lot of newsletters, but this is the first time that I address you as the ZCSD President.

First and foremost I want to thank Wally and Patty for their great service to our club. They really guided us into the 21st Century. I know that the amount of work they did behind the scenes was tremendous and exhausting. All I want is that our new Board of directors can continue with the excellent work done by them. The new Board is an energetic and diverse group with new and old faces and lots of experience. We will continue pushing forward the love and admiration we all have for our beloved Z cars. New and exciting runs are in the planning as well as multiples events with other Z car clubs. We welcome the input and participation of all member to continue the legacy of our club.

As previous years we will strive to have a guest speaker and a drive or other activity every month, please feel free to present any interest and ideas you may have. This month we will meet on the 17th at the newest facilities of K1 Speed in San Diego East Village. Then Lunch at one of the most iconic Mexican Restaurants, Cuatro Milpas. Our guest speaker comes via Wally. David; the owner of Kite Flite located at 849 West Harbor Dr. Sea Port Village. www.kiteflitesd.com

This will be an interesting guest, not your childhood kites for sure.

I wish you all a happy n prosperous New Year.

Z'ee you at the meeting

Short note from your Vice-Prez

Hi everyone my name is Ricki Alberto and I'm your new Vice President. As Vice President I want to expand the club and attract more enthusiasts. If it is possible, I want to promote the club a bit more and schedule events with other car clubs in the area. A little back story about myself is that I am currently pursuing a Bachelors in Electrical Engineering, working part time, and training part time. I have owned a 2004 [350z](#) for a little over two years now. It is a car that I personally chose to own not only because of its lines, but because of the

history the Z cars have. I hope to get to know more of you and hope you all get to know me!

K1 Speed

San Diego County is the spiritual home of K1 Speed. Our first-ever location was opened in Carlsbad in 2003, and we have been drawing racing fans from the city of San Diego ever since. We are pleased to say that with the opening of our downtown San Diego indoor karting center, near East Village and the Gaslamp Quarter, our fans no longer have to make the trek up the 15 or 5 freeways! Our **K1 Speed San Diego** center brings **indoor go-kart racing** to the heart of America's Finest City! We invite you to come down today – it's the same thrilling experience, much closer to home.

Your Board in Action 2015

A little about me:

I was born in Seattle and after a few years of moving around ended up in San Diego in 1975. I met my wife in 1987 and have worked in the restaurant industry for most of my life. My first Z was 1978 280 (2 + 2), which I bought in 1985, and since then I have bought, sold and traded 5 Z's (some more than once). Currently I have a 1971 and a 1972 240z, a 1975 Datsun 620, and a 1985 Nissan 720. In my spare time I like to work on my cars and go to junk yards. I have a soft spot for all animals and my wife and I share our home with our dog and three cats.

happy tummies abound.

"13" folks engaged in the
gift exchange of swipe,
which was brutal down to
the very end. Of course it
was all done in fun!

Again, I want to Thank
each & every person who
spent part of their Sunday
for an enjoyable evening.

ZCCIV would like to Thank
Lenny & Sheri from
ZCCSD and
Dick & Sandy from Empire
Z for attending.

Looks like our Club

same & also a reminder
that dues renewal is
January, 2015. Our
monthly club meeting will
be:

[Tues. Jan 13 @ 7:00pm](#) ~
Casa Jimenez, Murrieta.

Wishing all a Merry
Christmas & A Safe,
Happy, Prosperous New

It would be nice to take
a moment during this
Holiday Season to
remember our troops who
are in harms way with a
wish that they return home
Safe & Sound.

ZCSD December 2014 General Meeting

He had an awesome gathering as our end of the year meeting . Jerry Kubitsky from Summit Transmissions was our guest speaker. He gave an awesome presentation and a couple o gift certificates for our raffle.

ZCSD December meeting was the last of the 2014 and also the last meeting directed by Wallace "Wally" Cook . Wally has being the most active and hard working president we being honor to have. He created cohesion and stimulated the membership to participate and take pride in our club. Wally promoted and coordinated inter clubs activities. He battle the IRS and the Department of state for our clubs nonprofit status with the help of the Board. We have so much to thank Wally.

It also marks the last meeting Patty had to take notes , Patty you donated your time effort and knowledge to give us organization and clear direction to us by capturing the essence of our meeting in your cleaver notes. We are so thankful for your hard work and service,

Thank you both from all of us at ZCSD!!!

I'm selling my baby. She is a 1978 Datsun 280z.

Here are some of the highlights:

- + 5 speed manual (hard to find)
- + Solid engine with no mechanical issues.
- + AC blows cold, very cold (again, not easy to find)
- + Owners manual and all paperwork
- + Interior is in decent shape. Some cosmetic stuff but everything works
- + There is some rust on the body where they normally rust (in the rear hatch) but no other rust on the frame
- + Including a couple of boxes of spare parts and accessories along with a cover.
- + I have a checklist from Aero Auto Group (Z-Whiz) with everything that needs to be done to get this car in tip top shape. I've worked through it over the years but haven't completed everything. I'll show you what needs to be done.
- + In 2012 I had an appraisal done so that I could insure it with a new company. I'll provide that as well.
- + Never in an accident and I'll pay for a Car Fax for the serious buyer to prove it.
- + Clean and clear registration and title in-hand. It has a current smog cert.

This isn't a show car but it is very reliable and all original. I drove it daily for several months and it never left me stranded. Now sitting in my garage (I drive it some on weekends) so I'd prefer it to go to a home that can give her some love and attention.

Serious inquiries only. I'm centrally located in Clairemont just off 163/Mesa College or 805/Balboa.

I am negotiable on the price but I won't reply to low ball offers. Cash only.

If you are reading this, it is still available so please don't ask. I'll pull the listing as soon as it is sold.
