## HAPPY NEW YEAR

I hope you all had a great holiday season this year. 2017 was a banner year for the ZCSD. We capped it off with a record setting Christmas Party with 51 people attending. There were 10 people from ZCCIV and our guests of honor, Johnnie Gable and Kenny. We all had a great time with everyone taking home a new prized gift.

Our Christmas board meeting was the next night, and we came up with some great events for 2018. There is sure to be something for everyone. We are bring back a couple of old favorites and adding some new ones. Please come to our January meeting to find out about these events. If you can't make it, they will be posted in this newsletter. We are also planning on doing a joint event with the San Diego Triumph club. I'm looking forward to making some new friends and checking out some cool cars. We hope that you will all want to participate in many of this year's events. So come out and support your club. I guess I was a good boy this year, because Santa arrived at my house with a great present. Please see the accompanied photo. That's it for this month, hope to Z se at the meeting.

C & D Auto Care  
Z Club San Diego

Sponsor

At the last meeting I shared information about C & D auto care didn't work on Z cars anymore. That was what Bobby told me. After the meeting Lenny contacted Dara the owner who said for me to contact him. I did contact Dara he replied they do work on Z cars for ZCSD. The club is an exception since they only work on 1999 and newer vehicles. Bobby wasn't aware on the Z club was exempted . Dara a master mechanic worked on my 1989 300ZX. He made it look easy removing and replacing the spark plugs. Car ran great after the plugs, cap , rotor, and wires were replaced. When you call and a new customer to the shop, state that you're a member of ZCSD. Dara is the only mechanic that works on the Z cars.

Thank you Dara

P.S. I received a questionnaire from the shop. They offer a \$25 off your first repair. Just mention Chuck from Z club San Diego sent you. Also send in the questionnaire and receive 10 % your next repair J
