Here we are starting a new year. This year should be a fantastic year as we will see it in 20/20 vision. I know bad joke.

The ZCSD Holiday Party was fun, and we had a good turnout. Johnnie Gable and her son Kenny came down and celebrated with us. Adult beverages were a big hit during the gift exchange.

At the December Board Meeting, a selection of events made and put on the calendar. A full listing of events is included on the 2020 ZCSD EVENT SCHEDULE page.

Clif Yaussi has stepped forward and will be taking Donn Austin's place as Vice President of the club. The club would like to thank Donn for all his service to the club as President and Vice President.

Our first event will be Ramona Grasslands Hawk Watch, weather permitting, on Saturday, January 25th. If the weather does not cooperate, then we will go to the Miniature Engineering Craftsmanship Museum.

Z You There,

Michael

GENERAL MEETING

DECEMBER 3, 2019 — CONT.

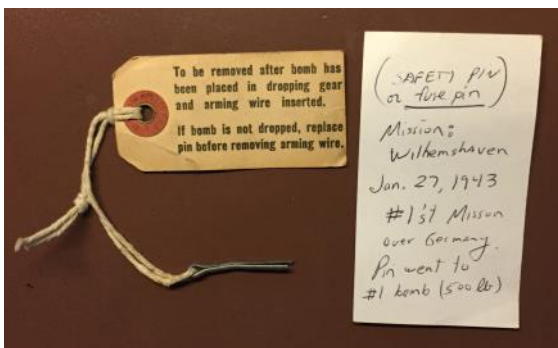

DECEMBER PROGRAM—CLIF YAUSSI

My dad, Frank D. Yaussi is credited with being the first American over Germany on the first bomb mission by the American 8th Air Force on January 23, 1943. As the Group Bombardier for the 306th Bomb Group, the B-17F he flew in was piloted by the Group Commander Col. Frank Armstrong. My dad's position in the Plexi-glas nose of the plane was 12 ft. ahead of the pilot and co-pilot, thus his claim to fame.

He kept the bomb pin from the first bomb dropped on Germany by the American forces flying out of England. In November of 2019 my younger brother and I presented the pin to the curator at the Mighty Eighth Air Museum in Savannah Georgia. Their collection of artifacts, from the air

war in Europe, is housed in a fabulous museum, and open to WWII history buffs and historians as well as you and me.

DECEMBER PROGRAM CONTINUED

My dad flew 17 combat missions during the first year and a half, with no fighter escort to speak of and intense German flak and fighter attacks. He was promoted and luckily spent time at Wing Headquarters in London, England . Of his original crew of 10, he was the only one not killed, captured or an evadee in hostile territory. Back in the States, he trained the B-29 bombardiers, including the ones that dropped the atomic bomb over Japan.
