I hope everyone enjoyed Halloween and did not eat all their candy at once. Now is an excellent time to get those Z's ready for the trip over the mountains and through the woods to grandma's house or wherever you celebrate Thanksgiving.

Last month's run to the Dyno Shop in Santee was an overwhelming success, with 13 cars dynoed.

What a long day, it concluded just before dinner time. Lenny and Sheri grilled great hamburgers and brats with Death by Chocolate cake for dessert.

To showcase the club on different social media platforms, a YouTube channel has been created, Z-Club-of-San-Diego, to host videos pertaining to club runs, club activities, and those activities related to ZCSD. Currently, the videos on the site now are from my dashcam on various runs. However, I want to add videos from other club members, whether dashcam videos or handheld videos of events.

Our annual Wine Run will be Sunday, November 7<sup>th</sup>. Details are provided later in this newsletter. So, join the run and get a head start on your holiday shopping.

Have an enjoyable HAPPY THANKSGIVING.

Be healthy, be safe and Z you on the road.

Michael

The Days are getting shorter and within a week you could be going to work in the dark and coming home in the dark. So far San Diego has not required documentation to enter establishments. So the meetings at Denny's continue. Starting next year we will to have guest speakers at our meetings. Also Donn Austin is now our web master and on the web we will have previous speakers and their business cards. We haven't had this feature lately.

Hope to see everyone at the meeting who can make it.

Z you next week Chuck

## COFFEE & Z'S AT THE NISSAN DESIGN CENTER

# Dyno Day

Covid didn't stop this year's Annual Dyno Day and BBQ, not to say it didn't go off without a hitch. First a miscommunication Led to Mark the shop's owner not being there and leaving the entire day up to Alex his righthand man, who by the way was up to the task!! Now Mark the shop's owner not being there, put the second dent in the event as I had an appreciation Plaque made for the occasion.

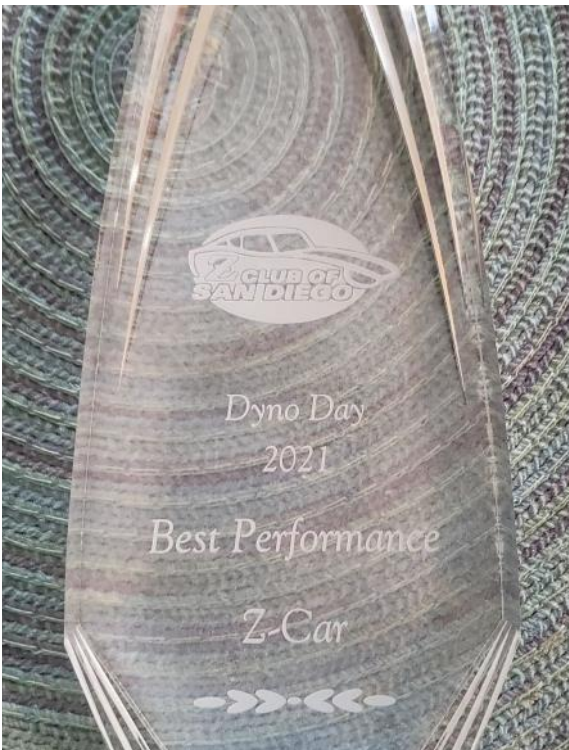

Ok, we had a great turnout, 13 Cars about 20 people, so I was busy cooking Burgers, My special Guinness Brats and Dogs when suddenly the Grill I bought for the club finally gave up after MANY BBQ parties. So, after a few minutes of freaking out it was off to Home Depot to get another. All in all, it was a great day, perfect weather great people and Sheri's death by Chocolate cake to end the Dyno Day.

After the Trophy presentation to Rogelio Castro and his awesome Z32, we were off to Pacific Island Brewery for some BREW LOL... Maybe next year you might try out the Dyno Day N BBQ!

Thanks to all that made it a great success!!

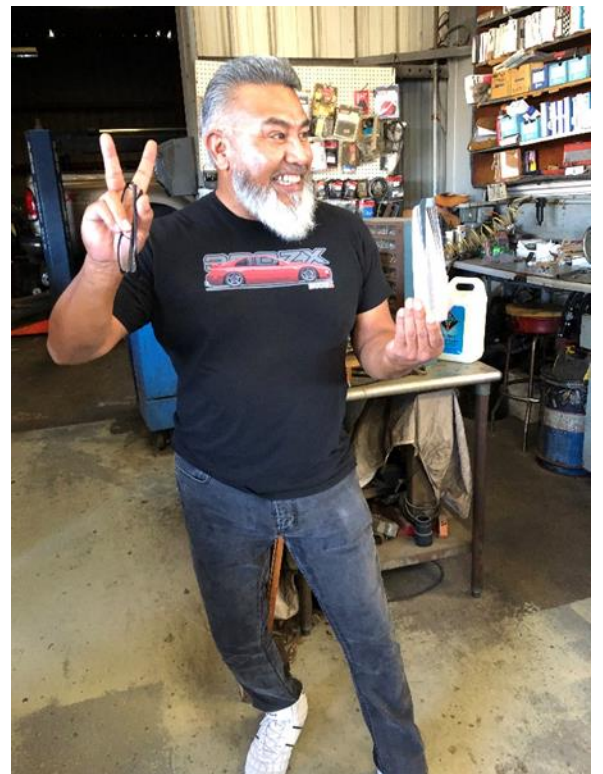

Lenny

## Z STUFF 4 ZALE

### 1970 240Z

The first 2 pictures (on the left) show my Z as it was when I bought it in 1974.

The rest of the pictures are from a yard I had stored it in later around 2006. I have an extra back hatch on top of the car in a couple of photos. Currently the tires are flat, and the wheels do not rotate.

It is currently in Bonsal, near Fallbrook.

If anyone has questions, I can be reached at 858-926-8871, if I'm unable to answer, please leave a message.
