Now that Halloween is over and all the candy is either eaten or given away, it's time to get those Z's ready for the trip over the mountains and through the woods to visit family and/or friends for Thanksgiving.

Last month's event at the Dyno Center in Santee had only four cars dynoed.

If this low turnout continues, we may be forced to discontinue this event.

The Dyno Shop needs a minimum of at least 8 cars to break even. Congratulations to Rogelio Castro (new member) and David Gonzales for the highest V6 horsepower and L28 horsepower respectively. A big thank you to Lenny and Sheri for grilling great hamburgers, hot dogs and special brats with Death by Chocolate cake for dessert.

Our annual Wine Run will be Saturday, November 5<sup>th</sup>. If you show up on Sunday, you missed the event. Details are provided later in this newsletter. Join the run and get a head start on your holiday shopping.

The board is looking for assistance in steering the club into the future. If interested in assisting, please contact one of the board members.

**HAPPY THANKSGIVING to everyone!**

Be healthy, be safe!

Z you on the road.

Michael

I would like to welcome Roger Castro to the club with his wife Patricia . Roger has a 1991 Z32 that has a unique grey paint job. Roger join us at the dyno shop and brewery event. Roger's Z topped out at 475 horses. Top in the V6 category.

I would also like to welcome Ron and Judy Heintskill to the club. I met them at the camel farm and than the Julian gold mine. Ron has a BMW convertible and enjoys the events that our club has.

Please introduce yourself to both of these new members at the meetings or events.

I would like to mention that Phil Barlow did make it to the dyno event but not with his 1974 and ½ 260Z. It wouldn't start but Phil did make a appearance to satisfy Lenny he didn't forget this year event.

Maybe next year Phil will get to Dyno his car.

Also I was at Mr. Keymans lock shop on Saturday and Bill Bennet was there to get an extra Vats key for his pristine Yellow 2001 Corvette. Great looking car Bill. Now he gets to join another club. It's great to have extra time on your schedule to do all these things.

Z ya at the meeting Chuck

# OCTOBER 4th, general meeting

## Zcsd Dyno day

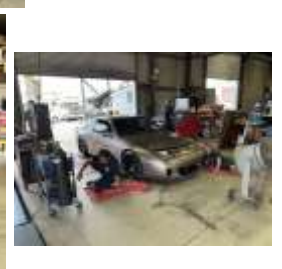

October 15th, 2022

Well, this year's Dyno Day, BBQ and Brewery, just may well be our last. The only good thing were the Brats. The dismal turnout of four cars, doesn't cover the Dyno shop's expenses. So if I can convince them that we can give them the minimum 8 cars we may have a 16<sup>th</sup> Dyno Day and BBQ. I know there was a "Chance" of rain but really, what would happen if those that put on all these events felt the same way. Our club only survives because of the hard work we put into it and your participation. David Gonzalez and Rogelio Castro won Trophies for the most HP for the L28 and V6 respectively.

# Z Club Annual Winery / Brewery Cruise

This year we are making some changes to our November 5<sup>th</sup> winery tour in Ramona. We will meet at the North County Mall near B J's Brewery and depart at 11:30. First stop is Orfila Vineyard in Escondido, located at 13455 San Pasqual Rd. After sampling some wine we will drive to Ramona for lunch at the ranch of Dennis and Carol Darnall. We will regroup at The Barn restaurant (where we always stop in Ramona). It is a short drive from there to the ranch on Black Canyon Rd. After lunch we can go to another winery, Crystal Hill Vineyard on Old Julian Hwy or visit the Smoking Canon Brewery for some root beer floats. There is also a distillery in Ramona with some outstanding hand made spirits that we can visit. We will decide where we want to go after lunch. We need a head count for lunch so please RSVP by Wednesday, November 2<sup>nd</sup>, by txt to Dennis at zcardennis@gmail.com.
