

JUNE 2025
VOLUME 34 NUMBER 06

FAST TRACKS

A MONTHLY MEMBERSHIP PUBLICATION FOR THE Z CLUB OF SAN DIEGO COUNTY.

“Under the Hood” as a ZCSD Board Member

by David Ferris. ZCSD Vice President

What is expected as a Z Club Board member? Well, I can't really answer that as definitively as I'd like to. I know that all Board members do quite a bit. I know that planning runs, planning meetings, organizing membership, and everything else does take a lot of time. I wanted to give the members an idea of how hard everyone behind the scenes works to make our Club the best Z Club in Southern California.

A little over a year ago I was asked if I might be interested in being a Board member. I said I would be interested because I enjoyed the Club so much, I wouldn't mind giving back a little. I also had ideas that I thought might help membership and attendance. Let me also say that probably none of my ideas are original. Many of the things I've come up with have been done in the past in the Club, and mostly my ideas are like recycling old clothing. You know, bell bottom jeans coming back into style after not wearing them for 40 years (well maybe not quite like that, but you get the drift).

(continued on page 2)

MONTHLY GENERAL MEETINGS
FIRST TUESDAYS OF THE MONTH @7 PM
Denny's: 4280 Clairemont Mesa Bl.
San Diego, CA 92117
*Park in the back of Denny's. Dinner at 6 PM
and the Meeting follows at 7 PM.*

ZCSD MEETING: June 3rd.

We welcome Craig Moya.

Organizer for the Main Street America Car Show July 13th. 2025

He will be coming to talk about the show and answer questions. He has been in charge of this event for many years now. Come and listen as he tells us what to expect and what a great time it will be. Craig is a member of the Corvette Owners Club of San Diego. COCSD has put on the Main Street America Car Show for many years benefiting the San Diego Center for the Blind. Come show your support for such a great cause and such a wonderful event.

Presented by the
Corvette Owners Club
of San Diego

P.O. Box 710886 Santee, CA 92072

Established in 1991 by the owner of Z-Whizz

The Z CAR CLUB OF SAN DIEGO Is a group of Datsun and Nissan Z enthusiasts and a Charter Member of the National Z Car Club Association.

ZCSD.ORG

The Club is organized as a California Nonprofit Mutual Benefit Corporation formed to:

- Provide its members with access to knowledge about their Z Cars
- Provide a forum for members and other interested parties;
- Exchange Z Car information
- Organize events and activities for members which enhance their enjoyment of Z Car ownership

Persons interested in becoming a Member should fill out the Membership Form located on the last page of this Newsletter.

Membership

Greg Carlson

Hi, my name is Greg, your new Membership Coordinator.

And this is my lovely wife and navigator Judy. I am busy getting up to speed on all of

the membership tasks. If you have any questions, just ask me at a meeting or email me. Welcome new members!

Long live the Z!

“Under the Hood”... (contd.)

When I was first announced, I wasn't sure of when the start date of my Vice Presidency would be. Is it the beginning of the calendar year, or the beginning of the membership period year? My mind was already churning with thoughts for the coming January. I also didn't understand what was expected of me. I needed guidance (and still do). I asked my predecessor if he would teach me, and he agreed. Clif met with me many times over breakfast and taught me what to expect and what I would need to know. Eventually Michael, our President, joined as another mentor. He shared what he thought I should work and focus on.

The 1st year, with Lenny being temporarily out of commission, I worked on getting guest speakers for our meetings. I had a few lined up, and I thought the meetings were very much enjoyed by attendees and by the speakers themselves. I am very singularly focused. I see one thing and work at it until it's accomplished. The guest speakers of 2024 were mostly because I looked for and arranged for them to come to the meetings. Lenny started helping when his energy level started coming back.

I also had in mind to get our Club to go to the Main Street America Car Show put on by the Corvette Owners Club of San Diego. Clif and I had entered our cars the year before. I was also told that with enough attendance we would have our own class. That became my goal. We succeeded with the very last

(continued on page 3)

“Under the Hood”... (contd.)

entry of the entire show for our Club. We needed 15 and got our 15 at the last minute of the last hour.

As the year went on, my ideas and Michael's support helped the Club with a few other things. We have generated a monthly Board meeting. We get together for breakfast once a month. A lot of new ideas come from those meetings. Dennis, Michael, Patty, Lenny, Sheri, and myself have been meeting for about 6 months together. Mike Ryan has also joined and last month Greg Carlson also took a position as Membership chairman. We talk about upcoming events, upcoming meetings, and ideas to increase membership and participation. Patty dutifully takes minutes, and Sheri has filled in with that when Patty can't make the meeting. We get ideas and plans of action from those meetings and I believe that there will be some good changes that will increase attendance at meetings and events in the coming months because of the Board's discussions at these breakfast meetings.

So, what else do I get to do for the Club? Well, I get emails with suggestions. I receive texts from members who didn't read the update emails for the event coming this coming weekend. Oh yeah, I do the update emails. I also compile everything that goes into the newsletter and proof it (well actually Carey proofs it) before it goes to our newsletter editor. Those are a few of the things I've taken responsibility for.

I can say that Patty, Michael, Dennis, Lenny, Clif, Chuck, and Sheri all do an amazing amount of things each month to keep this Club rolling forward and keeping interest in what's going on. Patty has been the sole orchestrator for the newsletter since well before I joined the Club. The amount of work each month to get that out is about as much as you would figure any monthly periodic would be. Getting articles, pictures, listings, information on track events, information on the individual runs from whomever was going to lead those, and putting it into an interesting format, is by far one of the more challenging things I've ever seen, and she's been doing it without complaint for years.

Dennis manages all the finances of the Club. He is diligent and determined to make sure the Club has the funds to keep operations going. He consistently makes determinations of viability for expenses for many different things each month. He also

helps every meeting and event to help the leader of that event stay organized and on track. Let me tell you, he absolutely values this Club and does everything he can to make it successful.

Chuck, and now Greg, keep up with existing members and new members to get them their yearly packets, keep up with birthdays and get the dues to Dennis to make sure that we remain flush with our expenses. Chuck had, and soon Greg will, welcome the new members and make them absolutely feel great about the new Club they've just joined.

Michael coordinates the upcoming meetings with the different Board members and what information needs to go out for those meetings. He juggles the meeting with information, guest speakers, track information, new member information, upcoming event information and everything else to make our meetings interesting for each person in attendance.

He also takes responsibility for every decision made in the Club's name. He spends a great deal of time and thought working on making this Club the best it can possibly be. He has been the leader for several years now and is one of the main reasons we still have a Club after covid.

There's a lot going on each week behind the scenes with each different Board member. During the week we answer emails, texts, and phone calls when members reach out to ask information or give information about things like Cars and Coffees or Car shows in the area. We plan for the next Board meeting and start getting stuff together for our awesome newsletter. We send out update and reminder emails for the next events and meetings and the like.

As a Club member and a member of this Board I have to say this has been one of the funnest things I have done in my life. I hope all of you appreciate how much the Board does for you and you know how much the Board appreciates the wonderful members we have and how much we enjoy the things we get to do for you and the Club as a whole. All of us hope to give the membership wonderful memories with the Club and with our cars.

See you at the next event or meeting! God Bless you all and we can't wait to get together again! 

President's Message

Michael Montag

As I write this column, I think Punxsutawney Phil's prediction for six more weeks of winter was way short for Southern California. It's May 18th, and water is still falling from the sky and the temperature is still well under 70 degrees. Hopefully, spring arrives before summer officially starts in June.

I have developed some suggestions to help keep our meetings within an hour in length when we have speakers.

- Only one question per person for the speaker
- Make questions that apply to all cars, not just yours
- Hold personal questions for the speaker until after the meeting
- Please hold all sidebar conversations until after the meeting

Any additional suggestions are welcome.

The next event will be the club's Annual Picnic and BBQ at Bates Nut Farm on Sunday, June 8th. Details are included later in this newsletter.

Z you on the road.

Secretary's Report

Patty Cook

General Meeting: May 6th, 2025

President Michael opened the meeting with introductions and the question, "What is the most expensive part you have put on your car?" This led to a lively discussion of various modifications and expensive general repairs. Then it was time for the speaker, Angela Lyn of Angela Lyn Designs. She had a fantastic slide show of her custom free-hand pin striping and graphic design work. Technical questions followed and we left with renewed appreciation for this artistic addition to everything from your car, bike or even mailbox.

Next, David Ferris announced the winners of the past year's Meeting Attendance and Event Attendance awards. Greg Carlson won both! But take heart for next year... Greg is now on the Board and ineligible to compete for these awards. The Membership award – Renamed the Chuck Golden Memorial Membership Award was won by VP David Ferris (and yes, board members can compete for this award). David brought in 4 new members. The criteria have been changed for next year; you must bring in at least 3 new members for the cash reward, if less than 3, then you only get your name on the plaque.

On to General Business, Greg did the membership birthday thing with Hans Crail, Michael Ryan, Michael Grassi and Judy Carlson, all picking out presents. We discussed past events; the April 19 – Desert Wildflower Run that had NO wildflowers, but lots of sculptures, and the May 3 – (Julian) Lake Cuyamaca Run that included a delicious lunch at The Pub at Lake Cuyamaca, which is right on the water. Upcoming track events were highlighted and the July 13 - Main Street America Car show, was discussed, where we will try to 'best' the Miata club for the club participation trophy. All Datsun/Nissan Z Cars have their own division this year, so be sure to sign up for Group G, AND request, to be parked with the ZCSD Club. This is going to be the last year, the show will be held on the Embarcadero, so you won't want to miss it. The July Cruise to Idyllwild was moved to the Sunday after the show – July 20th.

The meeting was adjourned at 8:20 PM.

CLUB CARS		MEMBER BIRTHDAYS

ZCSD ANNUAL PICNIC

SUNDAY, JUNE 8TH

We will meet at the Bates Nut Farm at 11am.

There will be plenty of shade, a petting zoo for the kids, and gift shops with something for everyone. Water, Chips, Burgers, Hot Dogs. and Lenny's Special Brats will be provided.

And there will be cake!

Please bring a dish to share and something to sit on. Please come out and enjoy the day with

The Most Active Z Club in Southern California!

[15957 Woods Valley Rd. Valley Center, CA 92082](https://www.batesnutfarm.com/)

Lake Cuyamaca Run

MAY 3RD 2025

by David Ferris. ZCSD Vice President

We've all started out event days like this. It's cloudy. We wonder if we'll see the sun that day. For those of us that have a roadster we wonder if we'll be able to go topless at all. Also a few of us with white cars wonder just how dirty a car we're going to be parking in the garage later that day, and when will we be able to wash it to make it shiny again. Wait, you mean I'm the only one that wonders about all this stuff? Nahhh.

Well, I needed, or I guess I should say, wanted to get gas. I also like being at the event meeting place early just to watch the cars roll up and try and remember everyone's names. I also enjoy the time to catch up to see what everyone has been up to since the last time we got together. It's like getting together with family.

You see the ones you get to see most every time. You see the new ones that haven't been there yet. You also get to see the ones who haven't attended in awhile. Let me tell you my personal feelings, I especially like seeing those. They're like

a favorite cousin whom you've been thinking about but don't want to bother in case they're really busy. When they show up you feel a warmth in your heart that they're there.

This run was Mike Ryan's first to lead. Being a newly appointed board member this year, he has always wanted to be more involved in the club. Just recently his circumstances have changed enough that he gets to do just that. He has jumped in with both feet and took on a board position to help with something he is truly passionate about. I was worried when the sky looked very gray and wet that there wouldn't be as good a turnout as there could be. My worries were unfounded because we had a bunch of people show up!

When we were ready to leave Mike took the front position. Another 240Z, driven by Steve, his wife Vivian as navigator, started off right behind him. Being ready and close to the front of the parking lot I took 3rd. Dennis followed me, and everyone got in line and went around the corner towards the Old Julian Highway. We did pretty good staying kind of all together. It was much easier to stay together because we were all behind a red Ram pickup going a lot slower than what we could, even as a group. Eventually he noticed us behind him and pulled out of the way. As I went by, I noticed he had his phone up at the side window either taking pictures or a video of our progression as we went by. Always paparazzi when we get together.

His moving out of the way didn't help a lot, however. There was a Chevy Tahoe that didn't understand the idea of turnouts,

(Lake Cuyamaca Run continued)

or the law that says if more than 7 cars are following you and you're not doing the speed limit you're supposed to move out of the way. Eventually that person turned off the route, causing everyone behind them to stop and wait for them to get to their destination. That cleared the way a bit and a little further down the road Mike pulled over, heading up towards Julian, and let the rest of us catch up to go up the last 7 miles to Julian.

When we got through Julian, to the turn heading towards Lake Cuyamaca, the sun started to peak it's head out from behind the clouds. It was mostly a good ride with the cars in front of us not going terribly slow. They weren't going as fast as we would've liked but they were moving at a pace to make it enjoyable to open up from time to time.

Down the road we went towards the lake and The Pub where we planned to have lunch. We pulled into the parking lot, following Mike, and found parking, not necessarily well organized for us, but at

least mostly out of harm's way. There were a couple of boys throwing a football, whom I asked, "Please don't hit my car?". One of the dads told me "we're going fishing, mister", and that was the end of that conversation.

In the restaurant, we got led to our table for 30 and sat to enjoy a meal and good conversation with each other. Not having eaten there before, I wasn't sure what to expect. I will say the burgers were tasty and the tater tots were fried perfectly. I was lucky enough to sit next to Marcia Yaussi on my left, across from Joe and Peggy, with Ron and Judy on my right. It was an enjoyable meal with good conversation and company. Dennis and Carol were across from Ron and Judy and we had a great time.

Soon the meal was over. I didn't rush to get out to pay, and soon everyone was at their vehicles and driving away. If I didn't say goodbye to you that day, I promise, it wasn't because I didn't try. I enjoyed the day, and Mike led a terrific run. I think everyone will look forward to the next one he plans. I am sorry for those of you who weren't able to make it this run.

Check your emails, our group on Facebook, and our website on the Events page for the next event, our annual BBQ/ Picnic on June 8th. It's scheduled, at this time, to be held at Bates Nut Farm. Information to follow.

To those of you who made the May event, thanks for the good times and memories! **Z**

Point Loma Cars & Coffee

by David Ferris. ZCSD Vice President

Saturday the 24th I took a friend with me down to Liberty Station to check out the Point Loma Cars and Coffee. It's run by Andy Mercado. He has a Navy inspired Acura NSX that he's had at several car shows and cars and coffees in San

Diego. I first met him at the Mira Mesa Cars, Coffee and Donuts a couple of years ago. This gathering, every Saturday, has some excellent cars and it's at a wonderful location. It also happens right next to a little Farmer's Market, offering that offers all sorts of things. Coffee, donuts, sandwiches and other wares are available. This last Saturday there were around 76 cars. Come check it out sometime!

Waiver and Release from Liability

This form limits Z Club of San Diego's liability. Read it thoroughly and sign below.

As a Member of the Z Club of San Diego (ZCSD), I am solely responsible for any damage or injury to third parties, or myself resulting from anything connected with ZCSD Events/Activities. I agree to fully indemnify and hold ZCSD, its officers and representatives harmless for or in any claim, loss, damage, injury or liability which may be asserted against them by me or by any third party as a result of my activity. The foregoing covenants of exculpation and indemnity are intended to be and are complete, general and without restriction and include but are not limited to negligence (active or passive) or willful, reckless or wanton activity. I further agree that my car will be operated by a licensed driver and that the driver will comply with all applicable provisions of the California Vehicle Code. I further warrant that I carry automobile liability insurance on the vehicle, meeting or exceeding all California statutory requirements and that this insurance will be in force and effect for all ZCSD Events/Activities in which I participate. I will not participate in any Event/Activity under the influence of any alcoholic beverages or other drug or drugs that would impair my ability to perform at ZCSD Events/Activities. This release will be active for all ZCSD Events/Activities in which I participate.
