# *PreZident's Message*

By  
**Michael Montag**

I hope everyone had a wonderful and safe Thanksgiving with family and friends.

This year, we renamed the club's famous Wine Run to Wine Event. On Saturday, November 9<sup>th</sup>, with approximately 16 people in attendance, we visited three wineries and had lunch at the last winery. The new format of no planned drives between wineries worked well. The last winery gave a couple of free bottles of wine thanks to David. A big thank you goes out to David for planning and leading this event.

Our last event of the year is the annual Holiday Party, which will be held on Saturday, December 6<sup>th</sup> @ 1:00 PM, at El Torito in La Mesa. Bring a gift for the Toy Drive and/or a white elephant gift for the gift exchange. An event flyer is later in this newsletter.

The ZCSD Board meeting for December will be held before the Christmas holiday to lay out and schedule events for the coming year. Please pass along to any board member any events, activities, or runs you would like the club to do in the coming year.

For those curious about ZCSD's election night, the following were elected to officer positions:

President – David Ferris  
Vice President – Mike Ryan  
Secretary – Patty Cook  
Treasurer – Dennis Darnell

I want to thank the 2025 ZCSD Board members, David, Dennis, Patty, Wally, Greg, Lenny, Sheri, and Carl Cook, for their hard work in making this year a successful year for the club.

お疲れ様です (**otsukaresama desu**) is "thank you for your hard work" in Japanese.

Now, let's drive those Z's.

**HAPPY HOLIDAYS!**

*Michael*

# Vice President's Message

The Convertible guy's message  
AKA Vice President David Ferris

There have been and will be a lot of changes to the club going forward. We have changed the club meeting place and day. We have changed how many runs and get togethers we try to do in a year, and now we have changed a couple of the top positions on our board starting in January. We have also updated our club bylaws and tried to make them more up to date and easier to follow so that anyone coming on the Board doesn't stress out because there's so much they're supposed to do. Change happens no matter where you are in life. It almost always happens right when you don't want it to change because a lot of times that's when things are going really well.

We advertise ourselves as the most active Z club in Southern California. I like that claim and I also want to make sure it's legit. We have done some really fun things and runs this last year. We have gotten a few more new members, and they seem to enjoy the stuff they are doing with us!

We have a couple of very passionate people on our managing board this coming year with a couple of members stepping up to take work intensive positions so that others can manage keeping the club going in the direction of having fun with our cars and the people in the club.

Mike Ryan has some great ideas for runs and get togethers as well as ideas for some guest speakers. You're going to want to be at our February Meeting but no spoiler alerts here. You'll just have to be there.

At our December meeting bring a written idea for a run you might be interested in, and we'll be taking those suggestions for our planning meeting this year. Also let us know if you might be interested in leading that run and are interested in putting it together for the club!

I hope everyone has a wonderful Thanksgiving and a terrific Christmas and New Years! I hope to see you at the Christmas Party December 6<sup>th</sup>, and many if not all of our events next year!

*David Ferris ZCSD VP*

# Secretary's Scribblings

**General Membership Meeting – On November 5**, the meeting was opened at 7:15 PM, with 27 members and guests in attendance. President Michael led Introductions with the car you drive, and the question of the day was: What made you modify your Z after you got it? The overall response was ‘to make it go faster!’

**Nominations** from the floor were opened. There being none, Michael read the names proposed by the Board: President – David Ferris, Vice President – Mike Ryan, Secretary – Patty Cook, and Treasurer – Dennis Darnall. Judy Carlson called for the Question. Sheri Arnoth proposed we accept the slate as read, seconded by Lenny Arnoth. PASSED.

**Legacy Position:** Michael announced the new Legacy Board position. This person would be a former Club Officer who has dedicated many years of service to the Club. They would serve on the Board of Directors in perpetuity, with no assigned duties. They would lend their knowledge and experience to help guide the Board of Directors.

**Other Board Changes:** Darren Kirkpatrick was introduced as the new Newsletter Editor, and Michele Ruppert will serve as the new Events Co-Ordinator.

**Past Events Discussed:** October 5<sup>th</sup> at Mossy Nissan in Oceanside. DYNO DAY on October 11<sup>th</sup>. The Tech session on October 19<sup>th</sup>, at Poway Valley Collision.

**Future Events:** The Wine Run on November 8<sup>th</sup> will start at the Bernardo Winery, with a meetup at 10:00 AM. Then proceed at your own pace to the other wineries and lunch.

Greg Carlson, **Membership** Coordinator, invited Sheri Arnoth and Rob Johnson to select their birthday gifts from the swag table.

Several members offered Z items, windshield chip coupons, diagnostic information, etc.

Meeting Adjourned around 8:30 PM.

**Board Meeting Highlights – November 13**, Discussions included: meeting and event insurance, upcoming events 2025, a payment system to facilitate new and renewal memberships, committee chair replacements, and finally, revising the club Bylaws to be voted on in December.

## VINEYARDS ON A SUNNY NOVEMBER DAY

by David Ferris

This was my 3<sup>rd</sup> Wine run/ event with ZCSD. My 1<sup>st</sup> one a couple of years ago was pretty amazing. It's the first time I saw Roger Castro's "slightly modified" 300ZX Twin Turbo. I didn't really see much of it at first that caught my imagination, I just heard it. Since that day the wine runs have held a special place in my heart and mind. I also asked myself the question, cars and wine? Well, that makes me just a little nervous.

This year I had an idea. I presented it to the board when we did our planning meeting at the end of last year. Let's do a chauffeured bus to Temecula. I did a little research and found it wasn't as expensive as one might think. When I presented it to the club at our meeting in September, I didn't get the response I thought I would. I had one person tell me he would sign up in advance for the bus, and the rest of the response I got back was less than crickets. So, I pivoted.

I had seen one of David Gonzales' videos of the 2015 wine run. There were about 20-25 Zs. I wanted the attendance we had for that run but not the cars. I wanted those that wanted to taste to be covered and not worry about if they've had a glass or 2 more than they really should have. We've always had guests, and I figured this year would be no different. I also brought a few of my own, my best friend Ken, my father-in-law, John and mother-in-law, Goldie. I was looking forward to having them along and hanging out with family and friends for the day.

Starting at Bernardo Winery, one of the oldest continual wineries in the region, is always fun. Their coffee shop makes a great coffee and this year we stayed long enough for the tastings and a few of the shops to open and that allowed us to be able to check it out. They have some great wines to taste, and they even have a sangria that is pleasant to drink. We really didn't have enough time to do any shopping in the small shops they have but some of the other members did.

Our next winery was new to the club, Forgotten Barrel Winery. They had a place set aside for us, and it was such a delightfully sunny day. The winery itself was peaceful, beautifully rustic and comfortable. We didn't get to spend enough time at this spot either. An hour to an hour and a half just didn't do justice to the tranquility we all felt while visiting this seemingly forgotten spot just inside the Escondido border. We had a few Zs that were in the parking lot and the owners, of course, had at one time owned a couple of Zs themselves. That made for a few stories that made the time pass even faster. Hopefully we will get the chance to visit in the future!

The last winery that was on our visit list was Orfila. Orfila has a food truck now and serves meals. This allowed us to grab lunch while hanging out near the vineyards and we enjoyed the waning afternoon sunshine. We had a few bottles of wine and pizza and sandwiches and sat back and talked with everyone around a few tables set up for us under canopies. We had a good attendance and the format of the day allowed everyone to come and go at the 3 wineries when they wanted. There were a few mix ups at the last winery, but it was handled and allowed us to get a couple of bottles free of charge to try. The club has to thank Tyler and Matteo for taking such good care of us in the midst of the food truck mix up!

As the event came to the point where people were saying goodbyes and the sun was dropping behind the trees and the hills, I reflected a little that this was indeed a good day. Good grapes, good friends and family, and a peaceful place to get away from the stress of life for a bit, who could ask for anything more?
