This Newsletter has interactive links. The page #s above will take you to that page. The footer on each page will bring you back to the table of contents.

Websites and emails are also linked. Mentions of a certain event or article will take you to that page as well.

Look for the footer to bring you back to this page!

Mailing Address: P.O. Box 710886, Santee, CA. 92072

This Club was Established in 1991 by the owner of Z-Whizz and is organized as a California Nonprofit Mutual Benefit Corporation.

- Provide its members with access to knowledge about their Z Cars
- Provide a forum for members and other interested parties;
- Exchange Z Car information
- Organize events and activities for members which enhance their enjoyment of Z Car ownership

Our meetings are held at 7pm every 1st Wednesday of the month with **dinner starting at 6pm.**

Meeting is at the following address.

Elijah's Restaurant
7061 Clairemont Mesa Blvd San Diego,
CA 92111

From the Driver's Seat

February's meeting was a lot of fun. I want to thank Talena from Girlie Garage for coming out to talk to us. I think everyone at the meeting learned something. I also want to thank Craig Moya for joining our team and bringing new life to the track portion of our club. At the very least, some of us are going to learn how to drive go carts to the best of our ability, but I expect there's going to be so much more when Craig gets going.

We had a lot of fun at the K1 Speed go cart track. Everyone had told me Cliff was the one to beat. Now I think it's going to be Craig Moya who will reign at the top. There will be more on that later in this newsletter. Also, we have a run planned to go by the Ross Lake Lavender Farm. More information on that also later in this newsletter.

I've been working on ideas for our club and trying to come up with things that will bring us all together as the car lovers we are. The issue with that is we all have different ideas on what is the most fun. Some of us are really into driving to places that are interesting. Some of us like showing off how beautiful our cars look when they are all washed and polished. Others take their cars out to see how they perform driving on a track or an autocross. Others are content with showing up at the different cars and coffee and blending in with all the other cool cars around and talking car stuff with the owners. Then there are the ones who would like to see how much more power and performance they can get out of their cars by adding, or in some cases, subtracting things to their cars.

Whichever camp you're in, we're trying to come up with things you would consider fun and enjoyable to do with your fellow club members. Most everyone agrees that whatever we do, when there are more participants, it seems to be a lot more fun. As I've said before and as I've been told, many people come for the cars and stick around for the camaraderie.

Over President's Day weekend I got to do some driving with friends on Route 66. Some of the people I haven't seen in a year, others I get to see a couple times a month. Either way it's normally the people that make the get togethers more exciting. I met some new friends this same weekend and because of them I've gotten some more new and interesting ideas for our club. The nice thing about our cars is they bring like-minded, well mostly like-minded, individuals together and we can share things we like to do or would like to do the next chance we get.

My advice to our members this year is to keep gas in your tank, air in your tires, and your battery fully charged to go after whichever adventure we have planned. You never know, you might find something new to enjoy.

David Ferris
ZCSD President

Vice President's Message

This month was nothing short of entertaining. For our February club meeting we had our guest speaker Talena "T" Hanley. She did a fantastic job promoting her automotive knowledge. She was engaging and informational. She knows her way around a car that's for sure.

We also had our K-1 speed event on Saturday February 7th. We had around 13 club members show up and 11 drivers. The racing event was intense. There was some bumping and grinding and a little soreness afterwards. The group had a great time. A few of us had lunch at K-1 afterwards. Big shout out to Robert and Kim Johnson for taking video and pics of the race.

Sunday February 15th we had the Datsun's and coffee event . It was a big turn out. At least 25 cars showed up to that event. We also had some ZCSD members in attendance. We had myself, Greg Carlson, David Gonzales , Neal Thomson and Jim Thomson. The weather was good and so was the company.

Over all a pretty active month for the club. Very good attendance at all of our local events so far and we continue to grow. The goal has always been to have fun and enjoy our cars. Not to mention striving to be one of the most active clubs in existence.

Photos by Mike Ryan, David Ferris, Galit Ryan, Rob and Kim

Mike Ryan
ZCSD Vice President

Secretary's Scribblings

General Membership Meeting – On February 4, the meeting began at 6:55 PM, with 28 members and guests in attendance. President David led the introductions with the question, “How many ‘fully operational, street legal’ Z’s do you own?” – there were 18.

President David Ferris introduced our new Track Coordinator, Craig Moya. He has been the Chairman of the Main Street America Car Show for 25 years and is a member of the Corvette Owners Club of San Diego, the Porsche Club of America, and our Club. Craig outlined his plans for future track events and training for Club members.

President David presented Legacy Member, Michael Montag, with gifts for serving as the Club President for the past 5¼ years.

Vice President Mike Ryan introduced ‘T’ from Girlie Garage, the evening's **speaker**, with the caveat that, since it was ‘Ladies Night’, the ladies get to ask questions first and, if time permits, the men can ask 1 question each at the end. If you didn’t come to the meeting, you missed a great speaker. T has a degree in Automotive Mechanics, has worked as a mobile mechanic, and has a YouTube program on how to work on our car. She covered the need for a maintenance schedule and offered to teach classes on safety, maintenance, tire changing, etc. She also gave out tire gauges if you answered her questions correctly.

General Business:

- The Main Street America Car Show’s date has changed to Sunday, June 7th, and there will be two Z Classes broken out by age.
- ZCON will have a Track Event
- Jason Damron is our new Member-at-Large
- Detail Garage had an event on January 31st with over 100 cars attending

Past Events: The Miniature Engineering and Craftsmanship Museum, with lunch after at Lake San Marcos, was a big hit with 20 members attending.

Future Events: On February 7th, we will be going to K1 Speed for a morning of racing and then out to lunch.

February Birthdays: Greg Carlson called Michael Montag, Patty Cook, and Ron Heintskill up to select a gift.

Competition: Craig Moya announced the upcoming events.

50/50 Drawing: 1st prize was \$35 or a Detail Kit from Detail Garage. Craig Moya won and chose the ‘gas’ money. Other tickets were drawn for more prizes.

Meeting Adjourned around 8:10 PM.

Board Meeting – February 25: A summary of the minutes will be provided upon request.

By Patty Cook, ZCSD Secretary

2026 Racing Schedule by Craig Moya (Track Coordinator)

The "Route 66 Caravan", highlighted in bright yellow(Oct3/4), runs from Sept. 29 through Oct. 10, and will likely only happen if there is enough interest. It's destination is an amazing track in Missouri called Ozarks International Raceway. But it is open to anyone who would like to join us as we visit sites along "The Mother Road". I would appreciate it if anyone considering participating would contact me for the details ASAP.

Craig Moya
cjm01awt@gmail.com

K1 Speed Indoor Kart Racing

K1 Speed day started out pretty simply. A few of us showed up early to have breakfast at the Broken Yolk near the Carl's Jr. where we were going to meet to start the run. David Ferris had a driver's meeting at 9:55am to explain the 2 road route to the Chula Vista K1 Speed cart facility and we were off. It was a beautiful morning for any day of the year, let alone February 7th.

David had the top down and the rest followed. We had Clif Yaussi, Mike Ryan, Carlton Gasior, David Ferris and Cody Yocom in their respective Zs. Mike drove his 370Z instead of his 240Z. Craig Moya followed us all up in his Corvette Convertible.

At the track we've all been told to watch out for Clif, he's the one to beat. He lived up to that, placing 3rd and then 2nd after Craig Moya at 1st. David might have ended up 2nd both times but he was following Mike Ryan and then at one point he let Darren pass him as well. Jason and Donovan were in a different group than the rest of the club, but they got their times as well.

We had some food at the K1 complex after and then we all went our separate ways, but it was a lot of fun. I'm sure many of us look forward to doing it again.

A Weekend with Friends on Route 66

By David Ferris

President's Day weekend has been a pretty special weekend to me the last few years. I got invited with a group of friends to go on a weekend run to different places with the same group of people. This last weekend we met in Arizona to drive along Route 66. It was an absolutely wonderful weekend!

Starting out in Wickenburg, I got to see some people I haven't seen since last year. There were a bunch of Zs in the group, 10 of them, including mine. The oldest one was Clif's Z32. Clif and I were still the only Roadsters along for the drive. Lots of different colors, no 2 alike!

Heading out early Saturday morning, we headed to Prescott, Az. It was a nice, quiet, early morning drive. It was clear but chilly weather and we all, more or less, stuck together. Stopping at Prescott we parked by the Veteran's Memorial Island and took some pictures and got some coffee. Leaving there we headed north, which eventually got us on Route 66!

We drove on to the Grand Caverns and went 200 feet underground to tour the caves, just off Route 66. It was an interesting day and from that point it was warm enough for me to put the top down. From there we cruised up to Hackberry General Store and took in the sights before heading to Kingman for the night.

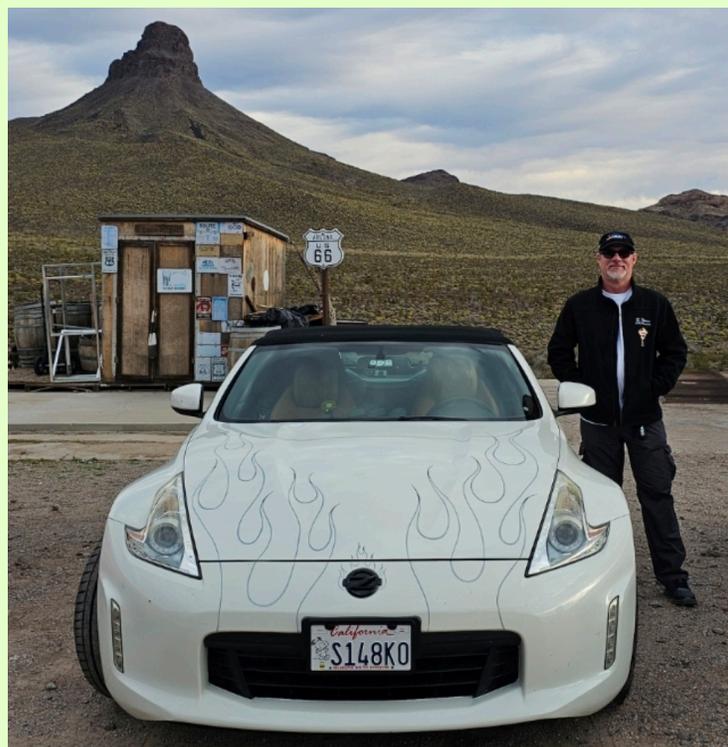

The next morning, after breakfast and coffee, we headed towards Cool Spring Station where we took a few pictures of our cars looking out over the scenery and by the old fuel pumps. We saw a few burros wandering along side the road. It was pleasant but chilly and was a refreshing stop from the normal road, not too much traffic this early.

Starting back on the Route, we headed to Oatman, where there were more burros and old souvenir shops and a restaurant with around \$800,000 worth of dollar bills stapled to the walls, and ceiling. Almost every available surface was covered! The road was full of 10 and 15mph switchbacks and we had a nice time driving in.

Next stop was Parker Dam. We drove through Needles California, home of Snoopy's brother, Spike. Down Highway 95 we headed towards the damn where a few of us did a little kite flying. We Spent a bit of time trying to fly kites in sporadic wind. After kite flying we were on our way to our final destination for the run, Lake Havasu and the London Bridge. Driving over slowly to generate space for picture taking opportunities, we got to see the Havasu Lake and the Colorado River. It was a nice wrap-up for a wonderful run with a bunch of friends in Zs. Just remember, sometimes you don't need the club to go someplace fun with friends and your cars. Just be open to where the road takes you!

SAVE THE DATE!

Main Street America

A People's Choice Charity Car Show

Presented by the Corvette Owners Club of San Diego

SUNDAY, JUNE 7, 2026 10 AM – 3 PM

Embarcadero Marina Park North (Seaport Village)

A fundraiser for the San Diego Center for the Blind

Detail Garage

Thanks again for having me at your club meeting in January!

As discussed, we can offer all **club members 20% off standard priced items** any day of the week at the Escondido location. Members don't have to wait for a special event or day to take advantage of the discount.

We are located at:
205 W. Mission Ave, Suite L
Escondido, CA United States 92025

I know that a few members said they would be interested in a polishing class. I was thinking one Saturday morning in February we could offer a small hands on class here at no charge. The class would be 3-4 hours long and I could take up to 4 people. If there were more than 4 interested we could always do another one the following month.

Joe Morgan, Store Manager

Feature products from Chemical Guys!

TORQ[®]

TORQ is new generation of professional-grade products that deliver professional-level results. These machines are designed to be easy to use and engineered to be fast and effective!

HEX-LOGIC

Hex-Logic pads are engineered with the finest and most durable detailing foams. Hook and loop interfaces and V-cut channels are designed to increase airflow and cooling characteristics.

smärtwax[®]

Smartwax is a premium line of auto care products that is highly effective, safe, and packaged with respect for both your design sensibilities and the environment in mind.

CYCLONE
DIRT TRAP[™]
CAR WASH BUCKET INSERT

The Cyclone Dirt Trap is a car wash bucket filter that uses nearly 300 cyclonic funnels to trap dirty wash water under the filter and keep abrasive particles off your mitt for the perfect scratch-free wash.

Girlie Garage

If you would like to learn more about your vehicle and some maintenance of it, please feel free to use this resource.

Talena from Girlie Garage is very knowledgeable and can let our ladies, and guys, understand their cars better.

Waiver and Release from Liability

This form limits Z Club of San Diego's liability. Read it thoroughly and sign below.

As a Member of the Z Club of San Diego (ZCSD), I am solely responsible for any damage or injury to third parties, or myself resulting from anything connected with ZCSD Events/Activities. I agree to fully indemnify and hold ZCSD, its officers and representatives harmless for or in any claim, loss, damage, injury or liability which may be asserted against them by me or by any third party as a result of my activity. The foregoing covenants of exculpation and indemnity are intended to be and are complete, general and without restriction and include but are not limited to negligence (active or passive) or willful, reckless or wanton activity. I further agree that my car will be operated by a licensed driver and that the driver will comply with all applicable provisions of the California Vehicle Code. I further warrant that I carry automobile liability insurance on the vehicle, meeting or exceeding all California statutory requirements and that this insurance will be in force and effect for all ZCSD Events/Activities in which I participate. I will not participate in any EvenUActivity under the influence of any alcoholic beverages or other drug or drugs that would impair my ability to perform at ZCSD Events/Activities. This release will be active for all ZCSD Events/Activities in which I participate.
