The start of the New Year brings new Officers, Board Members, and new members. I am your new Vice President and as such, I have three goals for our club this year.

I like driving my car, it is fun and responsive. I assume that most Z owners have the same feelings about their car. So my main goal for the year is to promote getting out and drive our cars. To do this, we will have a drive (run) every month where you can enjoy your car, scenery and good food. The first run was put on by our President, Peter Grubb, held on Sunday January 16 and called "Over E-Z Run". I hope you were able to join us. February will bring the "Byways & Brunch Run" on Sunday, February 20th, I will be heading up this run. In March we will join with Empire Z for their "Avocado Run" to be held on Sunday, March 6th. Coming April 11 to the 13 is the "Bottom Buster Motor Tour", you can check it out at bottombustermotortour.com and although this is for "Classic" cars (30 years and older) we have had more recent vehicles join in the fun. We will have a run every month so plan for it, put it in your calendar and enjoy your Z.

The second goal is to make our meetings more interesting by having a speaker at each meeting. The January meeting's was Mark MacNeil from The Dyno Shop and he gave us a very interested talk about Dyno tuning your car. Right now I am lining up speakers for the February and March meetings. So mark your calendars for the first Tuesday of the month for our dinner meetings and come on out.

The third goal is to get the club website running so we can post newsletters and notices to it for members and new prospective members looking for a good Z car club in the San Diego area. Your VicePres, Wally Cook

To all ZCSD members don't forget March is **Membership renewal month**, keep your **Membership ACTIVE!!!**, so you can continue enjoying your **ZCSD benefits, great discounts from our sponsors**.

OVER E-Z RUN

OVER E-Z RUN

Thanks to all who attended our first monthly meeting for the year 2011, it was a full house. We had our guest speaker for the night, Mark from The Dyno Shop located at 10042 Prospect Ave. Santee, Ca. 92071. Mark gave us an insight look at the why, how and benefits of dyno tuning of your vehicle. He provided some graphs with impressive before and after results.

Also Sal gave us a talk on oil and oil filters and demonstrated the differences between some oil filters with some useful cut out examples.

The pictures at the top of the page are an example of the fun stuff we come across in our club runs, awesome customized pickup truck and a custom made 1933 Riley made from a mail delivery 'jeep' and it runs on a 280Z engine and tranny.

MEETING HIGHLIGHTS

V-P Wally Cook opened the meeting, welcoming everyone and introducing a new member, Lew Cosella to his first meeting and a prospective member Brian Silva. Then he introduced our speaker for the evening, Mr. Mark MacNeal from "The Dyno Shop". Mark entertained us with stories of tuning various types of vehicles from diesel to e-fuel engines. He also showed graphs of dyno run results. After giving an overview of the dyno tune process, he tailored the rest of his talk around questions from the audience. He also provided some T-shirts for our raffle. Then Wally introduced ZCSD member Sal Maxin who represents AMSOIL PRODUCTS. Sal brought a cut-away of an AMSOIL oil filter and a competitor's top of the line filter. These he passed around for all to compare. After a short discussion of AMSOIL PRODUCTS, Wally turned the meeting to our president, Peter Grubb who talked about upcoming events. We were happy to welcome Mic Halbert from recent shoulder surgery and he talked about upcoming track events. The meeting concluded with the raffle of T-shirts, a 240Z toy car and the 50/50. The next board meeting, open to all members, will be Tuesday-February, 15th at Marie Calendars (Lake Murray/70th St exit)
