Great turnout for the February meeting with many old members and some new even with the threat rain. The speaker was and conducts driving class for military servicemen with Don Swanson, president of his advance driving school, and class for teenage safety driving, Doug Bishop who runs the Military Auto Center open to the public and donated T shirts for our drawing, and Melisa Miller who is a champion drifting driver competes in events around the country.

The drive to Powertrix was well attended with over 40 cars in the morning from the Z32 club, Empire Z, ZCCIV and ZCSD. Then we went to the Automotive Museum at Balboa Park and looked at the large variety of cars and motor bikes.

March's meeting will be this Tuesday the 4<sup>th</sup> at the same Denny's Restaurant with a guest speaker. Our drive this month will be on the 15<sup>th</sup> going out to Anza Borrego to enjoy the wild flowers and look at the sculptures along the road with a picnic lunch in Borrego Springs.

This is your Club. Come out to share the enjoyment of your car with other members who love their cars. See you in March.

## *Short note from your Vice- Prez and Newsletter editor*

Hello ZCSD members!!!

Glad to be back after my yearly vacation to Puerto Rico, sure miss not attending last month meeting. I heard it was another good one.

Had the opportunity to meet with some friends and their awesome cars. From Z cars to Mazda SR-3 SP ,SR-3,SR-2,and Toyota Coronas.

I included some pictures of this great friends and their cars.

The monthly run was a great one we joined Empire Z, ZCCIV and Z32 at Powertrix facilities for an awesome technical session on their great suspension products fro Nissan Z33 and Z34. Afterwards we all went to Carl's Jr. for lunch and then caravanned to the San Diego Auto Museum.

This months we are once again joining our friends from Empire Z on their traditional Avocado Run (March 9) then we will have ZCSD Wild Flower Drive to Anza Borrego.

For the up coming meeting we have as our guess speaker Rob and Joe from Original Garage Build in Santee. They specialize in Datsun Z cars and Datsun 510.

## Z Car Help!!!

Hi , I'm a member of the Ontario z club, I'm hoping you or one of your club members might be able to find me a part, i have a 1978 Datsun 280 z that i found out when restoring it was some time ago has some front end damage, the front right inner fender had a small kink in it, it also has rust just in that area, rest of the car is in great condition, so I'm looking to find a replacement inner fender section of that car including strut tower that i could weld in, would you know where i could find this, i have been checking forums , people parting out cars, salvage yards with no luck, any help you can give would be much appreciated or know where i might look to find this.

Thanks Danny
