During this unprecedented pandemic, I hope all club members and their families are healthy and safe.

I originally started this President's Message with some comment about Daylight Saving Time, finally starting again, which would allow us to drive our Z's with more daylight. Then, POW! An unknown virus comes out of nowhere and changes everything.

This month's meeting was canceled to protect the health of all club members and their families. I was hoping the virus would only be a two- or three-week event, but it is appearing progressively more each day it will be with us for at least a couple of months. So, for now, our event this month to Borrego Springs is ~~still scheduled for Saturday, April 18th, but most likely will be canceled if current restrictions are still in force.~~

CANCELED!

Be healthy, be safe!
Z you on the road.

Michael

Borrego Wild Flowers from the past...

Still sheltering in place???

The ZCSD Drive to Borrego Springs
to view the wildflowers is still on!

ONLY now, you will do it from the
comfort of your own home.

Here is a short video
(with guitar accompaniment)
of the Borrego Wildflowers – ENJOY!

So your stuck at home and the Honey-Do List is almost done, what to do???

Here are some suggestions:

1. **Design a Z Drive** to take when we get to get back on the road. Sit down with your paper maps, Google Map or what ever you like to use and develop a route, figure out where we will end up for lunch and a different way back. Write it up and send it to me. You may see it on the Calendar this year or next.
2. Clean out the garage, tool shed or where ever you stash those old Z parts you no longer need or plan to use.
3. Take pictures of all that old Z Stuff and send them to me to put in the May Newsletter's "Z-Stuff For Zale".
